You do not have to complete your application in one sitting. You are able to save your application and return to it later using your assigned PIN and Password.

Your information is transmitted through a secured server and is kept confidential until you submit your application. Only after you have submitted will your online application will it be available for review by our admissions staff. Please note that once you have submitted your online application, you will not be able to upload any additional supporting documents. Any additional documents will need to be submitted to the Office of Student Admissions via email to: admissions@downstate.edu.

What you need to complete your online application:

1. Your unofficial transcript(s) from all schools attended (including college courses taken while in high school) must be readily available for reference and uploading into your online application. If you have completed part or all of your education outside of the United States of America, you will be required to upload an unofficial copy of your course-by-course evaluation of your foreign transcript(s). An affiliated NACES member must complete your course-by-course evaluation. For a list of approved evaluation agencies, please visit the NACES website at: www.naces.org. Do not upload your foreign college transcript(s).

2. Two letters of recommendation are required for all College of Health Related Professions (with the exception of the Physician Assistant program, which requires three letters of recommendation). Since SUNY Downstate Medical Center uses electronic recommendation submissions, all letters of recommendation must be submitted online via our online application system. Please ensure that you have the correct names, titles and current email addresses for each recommender. It is important that you confirm with your recommenders that they are willing to complete a letter of recommendation on your behalf before listing them as a provider.

Please refer to the following link regarding the recommendation requirements specific to your program of interest: sis.downstate.edu/admissions/apply_today.html. If the recommenders wish to upload a letter to the online form, this letter must be on institutional letterhead, dated and signed.

3. Please review the Technical Standards for Admission and place a check mark in the box in the online application acknowledging that you have read, understood, and agreed to this program. More information regarding program specific Technical Standards can be accessed via: sis.downstate.edu/admissions/apply_today.html.

4. Pay the non-refundable application-processing fee. Upon submitting your online application, you will receive an email within 24 to 48 hours containing your NetID username and NetID password to access the admissions checklist. Once you log in, click on the “Pay Now” button. Upon payment of your application fee, you will be sent an email confirmation. Allow 24 to 48 hours for your application status to be updated. **Transcripts**

For college courses completed in the United States, we only accept credits from a college or university accredited by a regional accrediting organization recognized by the Council for Higher Education Accreditation (CHEA). For college courses completed outside the United States, a course-by-course evaluation completed by an affiliated NACES member will be required. For a list of approved evaluation agencies, please review the NACES website: www.naces.org.

Your name must appear on every transcript and/or evaluation and must be clear and legible. Indicate in the online application any courses in progress as failure to do so will delay the processing of your application.

If you are currently enrolled in a college or taking prerequisite courses, upload a scanned copy of your current semester grade report or course registration information in your application. All uploaded unofficial transcripts must be legible. Once your coursework is completed, please send your updated unofficial transcripts with final grades by email to: admissions@downstate.edu

**Credit by Examination Programs**

If you have fulfilled admissions requirements through the College-Level Examination Program (CLEP), Excelsior College examinations, DANTES or Portage Learning, you must upload an unofficial copy of your score report into your online application. If admitted, you must request that a copy of your official score report from the testing agency be sent directly to the Office of Student Admissions (SUNY Downstate Medical Center, 450 Clarkson Avenue, MSC 60, Brooklyn, New York 11203).

Science courses with a laboratory component must be taken in a classroom setting. Credit by examination cannot be used.
