MIDWIFERY PROGRAM
APPLICATION INSTRUCTIONS

SUNY Downstate Medical Center participates in the Apply Yourself Application Network. We strongly recommend that you read the application instructions prior to beginning the application process. All applications to programs offered at SUNY Downstate Medical Center must be submitted electronically through Apply Yourself.

Once you select “Create Account”, you will receive a PIN and Password. If you already have an Apply Yourself PIN from another school, you can use that same PIN to access and complete our application. You do not have to complete your application in one sitting. You are able to save your application and return to it later using your assigned PIN and Password.

Your information is transmitted through a secured server and is kept confidential until you submit your application. Only after you have submitted your application will it be available for review by our admissions staff. Please note that once you have submitted your application, you will not be able to upload any additional supporting documents. Any additional documents will need to be submitted to the Office of Student Admissions via admissions@downstate.edu.

Before you begin to complete the online application you should have the following:

Midwifery Curriculum Options: College of Health Related Professions

1. Advanced Certificate in Midwifery (all applicants with related Masters or higher degree except CNMs/CMs).
2. Advanced Certificate Midwifery for RN’s (RN’s holding a Masters or higher degree in a Health or Health related field).
3. MS Midwifery Direct Entry — all applicants except CNMs/CMs.
4. MS Midwifery for RN’s with any Baccalaureate degree – Nursing or otherwise.
5. MS Completion in Midwifery — for CNMs/CMs with a BA or BS in Nursing or in any field.

For further assistance with Midwifery Curriculum Options, please review the Midwifery website (http://www.downstate.edu/chrp/midwifery/).

What you need to complete your application online:

1. Your unofficial transcript(s) from all post-secondary schools attended readily available for reference and uploading into your on-line application. You will be required to complete a grid that asks for the undergraduate cumulative GPA earned at each institution where you earned undergraduate credits as well as the prerequisite courses grid for the program to which you are applying, including the grades earned, in progress or to be completed at a later date, before the program starts. If you are currently enrolled in a college or taking prerequisite courses, upload a scanned copy of your current semester grade report or course registration. All uploaded unofficial transcripts must be clear and complete. If accepted, you will be required to submit all official post-secondary transcripts.

2. If you have completed part or all of your post-secondary education outside of the United States of America, you will be required to upload a course-by-course evaluation of your foreign transcript(s) to be completed by an affiliated NACES member. For a list of approved evaluation agencies, please visit the NACES website at www.naces.org. Do not upload your overseas college transcript(s). If accepted, you will be required to provide an official copy of this course-by-course evaluation.

3. You must submit two letters of recommendation. SUNY Downstate Medical Center has moved toward exclusive use of electronic recommendation submissions. Please have the names, titles and email addresses of your recommenders and confirm with them that they will be willing to complete a letter of recommendation on your behalf. The letters should be from: 1) a midwife, nurse or physician colleague who can comment on your clinical abilities; or 2) a college professor who taught you; or 3) a person who knows you in a professional capacity. Letters must be on our Letter of Recommendation Form, or on letterhead. All letters must be signed to be considered acceptable. Letters submitted on letterhead must reflect an assessment of equivalent depth to that requested on the standard letter of recommendation form. Please be certain that you enter the correct email address for the recommenders so they can receive your request electronically.

4. Pay the non-refundable application-processing fee of $75. Upon submitting your application, you will receive an email within 24 to 48 hours containing a username and password, which should be used to access the admissions checklist. Once you log-in, click on the pay now link to submit your application fee. You will receive an email confirmation of your payment once you have submitted your application fee. Please allow 24 to 48 hours to update your application status. Applications will not be processed until the application fee is paid.
5. You are required to review the Technical Standards for Admission and place a check on the online application acknowledging that you have read, understood, and agreed to this program.

6. If you were born outside the United States, please upload a scanned copy of your citizenship documentation (naturalization papers or U.S. passport), or submit a photocopy of your permanent resident card or a photocopy of your I-20, IAP-66, I-821 D, I-797, USCIS H1 or H4 approval form, etc.

If you are currently in the USA on a visa, indicate your visa category on your application and we will send you additional instructions. Do not upload photocopies of your Employment Authorization card, social security card, or driver’s license, as these are not acceptable documents in the admissions process.

Application Deadlines and Timelines
Deadline for submitting a completed application for the Midwifery Education program may be obtained here http://sls.downstate.edu/admissions/deadlines.html. An early application is encouraged. Applications received after the deadline will be considered on a space available basis.

If you are currently enrolled in college course work or prerequisites, you should upload a print out or photocopy of your Fall semester grade report (the one you receive in the mail or print out from your college’s information system), and upload a print out or photocopy of your spring semester course registration.

General College Admissions Policies and Information
Read this section carefully as there may be additional items which you must submit

The Admissions Committee considers the individual qualifications of each applicant. Decisions regarding admission are based on a number of factors, including, but not limited to, the following:

1. Prior academic performance
2. Completion of prerequisite courses and the grades received in those courses, if applicable.
3. Letters of recommendation, communication skills, and motivation to pursue the profession
4. Volunteer or observational experience in the career field, or a related field.

Entrance requirements vary by individual program. Please note: Competitive applicants have completed all prerequisite courses at the time of application. All prerequisites must be completed with a grade of "C" or better (a grade of "C-" is not acceptable). In some programs, higher grades may be required to be competitive for admission. See specific instructions for your program.

We recommend that you have volunteer or observational experience in a setting appropriate to your career choice, preferably before you apply. In some programs, direct patient care or specific health care experience is required for admission.

Admissions decisions are final and may not be appealed.

All educational programs at Downstate Medical Center are open to all qualified prospective students regardless of race, religion, sex, color, creed, age, national origin, disability, sexual orientation, marital status or status as a disabled veteran or veteran of the Vietnam era. Admissions preference is given to New York State residents.

Pre-Admissions Advisement
We urge you to seek pre-admission advisement at least one year prior to the date you wish to apply for admission. You can register online to attend an information session at http://sls.downstate.edu/admissions/info_sessions/index.html

College Courses Completed in the United States
Official transcripts from all USA colleges/universities you have attended are required for uploading into your on-line application, regardless of how long ago you attended the college/university and whether or not courses from those colleges/universities are being used for prerequisite courses. Please indicate on the application any courses in progress, or the processing of your application will be delayed.

We only accept credits from a college or university accredited by a regional accrediting organization recognized by the Council for Higher Education Accreditation (CHEA) such as the Middle States Association of Colleges and Schools, New England Association of Colleges and Schools, North Central Association, Northwest Commission on Colleges and Universities, Southern Association of Colleges and Schools, and the Western Association of Schools and Colleges.

Studies Completed Outside of the United States
Applicants who have completed all or part of their post-secondary, college/university education in a country other than the United States are required to have a course-by-course, detailed, educational credential evaluation. A member of the National Association of Credential Evaluation Services (NACES) must complete the evaluation. For a list of approved evaluation agencies, please review the NACES website at www.naces.org.

Do not upload your overseas college transcript. Instead, upload the unofficial course-by-course evaluation report which was completed by a NACES agency, for example, World Education Services at www.wes.org. If accepted you will be required to provide an official copy of this course-by-course evaluation.

Credit by Examination Programs
If you have fulfilled admissions requirements through the College-Level Examination Program (CLEP) examinations, Regents College examinations, or Excelsior College examinations or DANTES, you must upload an unofficial copy of your score report into your Apply Yourself application. If admitted you must have the testing agency forward your official score report directly to the Office of Admissions (SUNY Downstate Medical Center, 450 Clarkson Avenue, MSC 60, Brooklyn, New York 11203).

Note: Applicants to programs in the College of Health Related Professions are limited to a maximum of 12 credit hours of prerequisite coursework credit by exam.

Health Care Experience

All applicants are urged to seek professional, observational or volunteer experience in an appropriate setting prior to applying for admission. In most programs, it is assumed that you will have made at least one visit to a health care facility or other appropriate health-related organization and have familiarity with your chosen career field at the time of your application. Please review admissions requirements for specific health care experience as listed by each program.

Grades Required

Applicants with cumulative grade point averages above 3.0 are reviewed the most favorably. Only those courses in which you have earned a letter grade of "C" or higher will be considered to fulfill admissions requirements. You cannot transfer credits from any course for which you have earned less than a "C".

Letters of Recommendation

A Current/former College Science Professor or an employer/ supervisor, or another college professor should write letters, except as indicated by the specific program. Letters must be on our Letter of Recommendation Form, or on letterhead. All letters must be signed to be considered acceptable.

Notification of Admission Status

Notification of admissions decisions is delivered electronically via your Apply Yourself application. We cannot communicate an admissions decision over the telephone. Admissions decisions are final and are not subject to appeal or reconsideration.

Once you are sent notification that your application has been sent to the Admissions Committee, please be patient and wait for written notification of your admissions status.

Early consideration for an admissions decision may be granted to competitive applicants who submit a completed application early. All applicants must submit their completed applications by the published deadline (for their respective program), to receive full consideration. Late applications will be considered on a space available basis.

Applicants who are not accepted for admission may reapply with enhanced credentials. Individual advisement appointments for a reapplication are not available, although you may register online to attend an Information Session. Application materials from the prior year’s admissions cycle may be used in the subsequent year’s reapplication. See guidelines under the heading "Re-applicants to Degree Programs".

Required Examinations

Read carefully to see if this section applies to you

Test of English as a Foreign Language (TOEFL)

The (TOEFL) is required for ALL applicants for whom English is a Second Language and who have not completed at least one year of full-time studying a regionally accredited college or university in the United States (at least 24 semester credits, including two courses in English composition).    b. Verification of current status, in baccalaureate or graduate program, from an ACNM/DOA accredited Midwifery education program. or
   c. Evidence of alternative eligibility to practice (e.g., NYS licensure)

Part-time Study

Part-time study is available for the Midwifery Program.

Second Degree Applicants

If you already hold a bachelor's, master's, or doctoral degree, you must still fulfill the same admission requirements, including prerequisite courses, and follow the same procedures as other applicants.

Educational Opportunity Program (EOP)

If you were previously enrolled in a SUNY EOP, a CUNY SEEK or College Discovery program, or an HEOP at an independent college or university in New York State, you may be eligible to continue in this program. If you believe you meet these criteria, go to http://sls.downstate.edu/financial_aid/forms.html to complete the
Transfer credit may be offered whenever:

1. You are seeking admission.
2. You are a New York State resident.
3. You are a non-New York State resident.

Transfer Credit, please speak to a representative of the program to which you are applying.

International students may apply, but must document their ability to finance their entire education (total length of the program) as part of the admissions process.

Program of Study (Advanced Standing) Transfer Credit

This type of transfer credit may be considered on an individual basis for the Midwifery Program. For more information on "Program of Study Transfer Credit," please speak to a representative of the program.

Transfer credit may be offered whenever:

1. The nature, content, and level of the course is comparable to the course offered by Downstate.
2. The credit earned is appropriate and applicable to the programs offered by Downstate.
3. A minimum letter grade of “C” or better has been earned in an undergraduate course; a grade of “B” or better in a graduate course.

Students should initiate a request for Program of Study Transfer Credit through their faculty advisor/program office during the first semester after matriculation in their program.

Re-applicants to Degree Programs

Re-applicants within one year of the initial application must submit the Supplemental Application and fee, one new letter of recommendation, and updated official college transcripts. Additional information may be required.

Only those re-applicants who have enhanced their applications are encouraged to reapply.

Re-applicants who applied more than one year ago must submit the same information and follow the same instructions as first time applicants.

Deferrals

If you are accepted for admission and wish to request a deferral, you must submit a written request to the Admissions Office by fax (718-270-4775) or by email (admissions@downstate.edu) at least two weeks prior to the registration date for your program. The letter must include the reason you are requesting a deferral, your name, and the name of your program. The Program Admissions Committee must approve all requests for deferrals. Approval will be sent to you in writing. In general, deferrals are only granted for one year. Not all programs grant deferrals.

Alternate Lists

Students accepted to the Alternate List may be invited for admission, often within days of the start of the entering class. Alternates are strongly encouraged to complete and submit all required pre-admission documents if they wish to be considered for space available admission. Candidates on the alternate list, who are not called for admission, must reapply to the program if they wish to be considered for admission during a subsequent admission cycle.

Personal Interviews

Once completed applications are reviewed, the Admissions Committee will notify applicants by letter, email, or telephone about a personal interview. Please do not telephone the Admissions Office to inquire about your status, as this will only delay processing.

The Midwifery Program conducts a mandatory personal interview, as part of its application process.

Please note: Admissions requirements, procedures and policies are subject to change. You must check the website for any new requirements and new application materials.
