9:00 AM	<p>The following 11 pages contain the calendar for Unit 3 of the Foundations of Medicine Curriculum (a/k/a "Infection and Host Defense" or "IHD") for the 2016-17 Academic Year, released on 12/30/16. ALL CHANGES NEW TO THIS CALENDAR VERSION ARE FLAGGED IN RED. Please note the following:</p>										LH2
9:30 AM											<p>All course sessions are included, both live and on-line sessions. Biostatistics and Money Matters on-line independent study modules have been included as of this calendar version. A POPS session in Week 2 has been lengthened by a half hour, correcting an error. A lab in Week 10 has been moved a half hour later.</p>
10:00 AM	<p>This calendar includes room changes necessitated by use of the 6th floor carrel rooms by Foundations 2 sessions or assessments during Weeks 2 and 5. Further relocations during Week 6 (the week that Foundations 2 students are taking the Gateway 2 assessments) are possible, pending the release of the Gateway 2 schedule.</p>										
10:30 AM											<p>Sessions are confirmed for the dates and times shown, but we reserve the right to make changes in emergencies, such as instructor illness or inclement weather. This is snow season, and there have been sessions re-scheduled in this unit due to snow in two out of the last three years.</p>
11:00 AM	<p>Required-attendance sessions include everything EXCEPT: (1) Interactive Lectures, designated "IL," (2) Information Sessions, designated "INFO SESSION," (3) Session [345] in Week 6, an optional Q&A session with Rheumatology faculty, (4) non-contact activities shown below the dotted line on this calendar and at 5 PM on Mondays on the interactive calendar and (5) unit resources not corresponding to class sessions, found on the interactive calendar but not on this one (for instance, formative exams).</p>
