MS 3's and MS 4's NEEDED
We need MS 3 and MS 4 students to do campus tours for medical school applicants. Please contact Ms. Ilana Levine (College of Medicine Interview Coordinator) in the Admissions Office if you are available from 12-1 p.m. Or, contact her via email or internet (ilevine@downstate.edu). Remember, you get a free lunch, and regular tour guides can list this on their residency CV! We've found that many applicants want to know about the clinical years which the MS 1 and MS 2 students cannot describe from personal experience. So we are looking for ways to involve more clinical year students in the admissions process to provide this kind of information.

MS 1 & MS 2 CARREL COORDINATORS
MS 1 students should report carrel or key problems to Natasha Stepansets in Room 605, HSEB; telephone x7524. She has an email account so you can email her.

MS 2 students should report carrel or key problems to Hugh Pitter in Room 511, HSEB; telephone X7507 and he’s on email too.

DID YOU DO SOMETHING NICE THIS SUMMER?
If you are a second year medical student and you did research or some other educationally related activity this summer, do not forget to have your preceptor/supervisor send a letter describing your experience (what you did) and how you performed to the Student Affairs Office (Box 85) for inclusion in your academic file. The letter should be addressed to me. The letter must be from your preceptor/attending, not from you.

HEALTH AND ILLNESS ART EXHIBIT
The works of the Canadian artist, Robert Pope will be displayed at the Mount Sinai School of Medicine's Annenberg West Lobby, entrance on Madison Avenue and 100th Street first floor on Monday, October 7 (9-12 noon), Tuesday, October 8 9 a.m.-6 p.m., and Wednesday, October 9 from 9 a.m.-6 p.m.

Poster in glass bulletin board.

HUMANISM IN MEDICINE ESSAY CONTEST

HOWARD HUGHES MEDICAL INSTITUTE – NIH RESEARCH SCHOLARS PROGRAM (Cloister Program)
Most students participate as Research Scholars after their 2nd or 3rd year of medical school. Students may work on basic, translational or applied biomedical research. Prior research experience may be advantageous but is not required. You select your preceptor and research project after your acceptance into the program. Students chosen as HHMI-NIH Research Scholars (about 40 are selected each year – we have had students chosen for this program) will work at the NIH for approximately one year, beginning July 15 and August 31. The salary for one year is $17,800. Moving expenses and subsidized, on-campus housing are also part of the program. The application forms are now on-line at www.hhmi.org/cloister/download.html. The deadline for receipt of completed applications is January 10, 2003.

AOA STUDENT RESEARCH FELLOWSHIPS
40 fellowships are awarded annually to 1st, 2nd, or 3rd year medical students. Each will provide $3000 to the student for support of the
proposed research. Each school may nominate only one student. Submit your proposal to Dr. Arthur Wolintz, Dept. of Ophthalmology, AOA Chapter Councillor no later than December 15, 2002. Flyer in glass bulletin board.

AOA HELEN H. GLASER STUDENT ESSAY AWARD
The AOA Student Essay Award is to encourage medical students to address general topics in medicine. Cash prizes of $2000, $750, $500 and $250 are awarded. Deadline for submission is January 31, 2003. Flyer in glass bulletin board.

AOA MEDICAL STUDENT SERVICE PROJECT AWARD
This award is open to any individual medical student or group of students collaborating on a project from a school with an AOA chapter. Students need not be AOA members. The school will be awarded up to $1500 to fund the project. Funding can be extended for a second year up to $1000 and for a third year up to $500. Additional information described on a flyer in the glass bulletin board.

MEDLENNIUM CONTEST
A literary journal published by the University of South Florida College of Medicine will award first, second and third place prizes for creative writing, art, and photography. For more information, visit, www.med.usf.edu/medstud/medlennium. Application deadline March 1, 2003. Flyer in glass bulletin board.

PUBLIC SERVICE COORDINATOR
Michael Harrell is SUNY Downstate's Public Service Coordinator. In this capacity, he will support students, in groups and as individuals, in their community service projects. His goal is to encourage more students to become involved in the community by informing them of volunteer opportunities, identify faculty members as mentors, and serve as liaison to community groups. You can reach him in the Office of Institutional Advancement, BSB 1-101 or by calling X1490. He will also be at the Student Activities Fair in September.

ARE YOU CALIFORNIA BOUND?
The Practice of Medicine in California: A Profile of the Physician Workforce is a profile of the physician workforce in California in the year 2000. The report includes information about aggregate supply, specialty and geographic distribution, sex, age; plus some analysis of practice setting, physician organization, managed care involvement, financial incentives, earnings and physician experience. One copy was placed on reserve in the Library. You can also download the report in PDF format from http://futurehealth.ucsf.edu/publications/index.html

If you are planning on practicing in California, we recommend that you take the Family Practice track of the Primary Care I Clerkship.

STANDARDIZED PATIENT PROGRAM OF THE NATIONAL BOARDS
The National Boards is planning the inclusion of a test of clinical skills as part of the USMLE (passing required for licensure), at some point in the future. Perhaps as early as for the Class of 2005. The inclusion of standardized patient experiences in the curriculum of SUNY Downstate is advantageous to acclimate you to what will be part of your required competencies in the future. Make the most of the opportunity! An article on the Standardized Patient Program of the National Boards is posted in the glass bulletin board.
