QUESTIONS ABOUT SUMMER EXAMS?
The actual schedule for MS 1 or MS 2 summer comprehensive re-exams is developed by the block directors after the Grades Committee meeting for that particular class year. The dates of the Grades Committee meetings are listed on the academic calendar (see Office of the Registrar website). Final approval to take the exam(s) is granted by the Academic Promotions Committee. Those meeting dates are also posted on the academic calendar.

The dates for the summer re-exams for MS 3 are determined by the clerkship faculty in conjunction with the Office of the Registrar. Final approval to take the exam(s) is also granted by the Academic Promotions Committee. Those meeting dates are also posted on the academic calendar.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY - Join the Medical Reserve Corps/NYC
The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional who lives or works in New York City can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYC-DOH1 for more information or to register, and email any questions to healthmrc@health.nyc.gov http://www.nyc.gov/html/doh/html/em/mrc.html

TRAVEL TO CUBA
In June, 2004, the US government tightened restrictions on travel to Cuba and the conditions under which educational programs may be undertaken. Therefore, it is unlikely that any electives will meet these new standards.

ARE YOU DOING SOMETHING NICE THIS SUMMER?
If you are a rising second year medical student (current MS 1) and you do research or some other educationally related experience this summer, do not forget to have your preceptor/supervisor send a letter describing your experience (what you did) and how you performed to the Student Affairs Office (Box 85) for inclusion in your academic file. The letter should be addressed to me (Terracina). The letter must
be from your preceptor/attending, not from you, in order to be included in your academic file.

WHERE TO GET DIFFERENT TYPES OF LETTERS

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Registrar’s Office. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items which must be included in the letter, and any information which you would like included about activities which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. The court’s final decision prevails. You may need to serve during your vacation period.

SAFETY REMINDER
