MS 3’s and MS 4’s NEEDED
We need MS 3 and MS 4 students to assist with campus tours for medical school applicants. Please contact Ms. Ilana Levine (College of Medicine Interview Coordinator) in the Admissions Office if you are available from 12-1 p.m. Or, contact her via email or internet (Ilana.Levine@downstate.edu)

HOWARD HUGHES MEDICAL INSTITUTE

NIH Research Scholars Program
(Cloister Program)
Most students participate as Research Scholars after their 2nd or 3rd year of medical school. Students may work on basic, translational or applied biomedical research. Prior research experience may be advantageous but is not required. You select your preceptor and research project after your acceptance into the program. Students chosen as HHMI-NIH Research Scholars (about 40 are selected each year – we have had students chosen for this program) will work at the NIH for approximately one year, beginning July 15 and August 31. The salary for one year is $25,000. Moving expenses and subsidized, on-campus housing is also part of the program. The application forms are now on-line at www.hhmi.org/cloister/pos. The deadline for receipt of completed applications is January 10, 2006.

HHMI Research Training Fellowships for Medical Students
(non-cloister)
This permits students to spend one year conducting research at any school or non-profit research institution in the USA except the NIH. We have had students do this program. The stipend is $25,000. For more information, go to www.hhmi.org/medfellowships/pos. Deadline January 11, 2006.

The NIH CLINICAL RESEARCH TRAINING PROGRAM is a one year program at the NIH for medical students who have completed one year of clinical rotations (you spend the year in-between the third and fourth year at the NIH – we have had a student in this program). 30 students per year are accepted into the program. The stipend is $28,400. Informational brochure in the Office of Student Affairs. On-line application at www.training.nih.gov/crtp. Email training@nih.gov. Application deadline January 17, 2006.

GIVE US YOUR FEEDBACK!
Several of the Student Services Offices (Bursar, Financial Aid, Registrar, Residential Life, Student Affairs, Student Center, Student Health) have added an icon on their websites called, “Make a Suggestion.” We invite you to share your comments on how we can improve services to students.

THE SARNOFF FELLOWSHIP PROGRAM
This program offers medical students who have completed their second or third year of medical school to conduct research for one year. Prior research experience is not a prerequisite. The annual stipend is $25,000. The fellowship program’s website is www.SarnoffEndowment.org. Application deadline is January 9, 2006.

AMERICAN FEDERATION FOR AGING RESEARCH announces the 2006 Medical Student Summer Research Training in Aging Program will provide medical students, early in their training, with an enriching experience in aging-related research and geriatrics, under the mentorship of top experts in the field. Students participate in an eight- to twelve-week structured research, clinical, and didactic program in geriatrics, appropriate to their level of training and interests. The stipend level is $1,731 per month. The stipend for an eight-week period is $3,462, and for a twelve-week period is $5,193. Students who elect to participate in the scholarship program at a National Training Center must cover their own travel and living expenses. For program information and application procedures go to http://fconline.fdncenter.org/pnd/3983/afar

PFIZER COMMUNITY SERVICE GRANT
SUNY Downstate is fortunate to have received an educational grant from Pfizer Pharmaceutical to conduct community health education programs. This is a community education outreach program, and can also be used as a student organization fund-raising opportunity. Each outreach program is envisioned as a 1-2 hour session on a health education topic directed at a target community audience. The audience could be children, teenagers or adults in the borough of Brooklyn. Ideally, the program should be offered in a community location, which is convenient to the target audience, to encourage attendance. Topics or subjects which were funded previously under this grant will not be considered again. For an application form which details more information about the guidelines for submission, please go to the Student Affairs section of the SUNY Downstate website and select student newsletters.

AOA MEDICAL STUDENT SERVICE PROJECT AWARD
This award is open to any individual medical student or group of students collaborating on a project from a school with an AOA chapter. Students need not be AOA members. The school will be awarded up to $1500 to fund the project. Funding can be extended for a second year up to $1000 and for a third year up to $500. Once you submit the proposal to the national office, you will receive your decision within 60 days. Additional information described on a flyer in the glass bulletin board.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY - Join the Medical Reserve Corps/NYC
The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYC-DOHI for more information or to register, and email any questions to healthmrc@health.nyc.gov.

EPOCRATES is offering a student discount code. If you would like the discount code, please email me.

CHILD CARE
The Children's Center at SUNY Downstate provides daycare services for children age 2 months–5 years and is fully licensed by the NY Dept of Health & Bureau of Day Care Services. Hours are 7:30 a.m.-5:30 p.m., Mondays-Fridays. Location is 440 Lenox Road. Openings are available. If you would like more information or a tour, contact Beth Scallon, Executive Director (221-6160) or Sheri Myers (221-6163).

AMERICAN COLLEGE OF PREVENTIVE MEDICINE (ACPM), Medical Student Section (ACPM-MSS) are seeking members to become part of a network of Preventive Medicine physicians and residents who are changing the way health care impacts on people. For more information, go to http://www.acpm.org/medstudents.htm

WHY ARE ALL OF THOSE DOORS CLOSED?
Have you been wondering why the corridor and office doors are closed? The fire marshal came by and apparently all of the doors have to be closed to fulfill fire regulations. So it's not to make life difficult (try opening one of the heavy doors with both hands carrying something) or to make the corridors seem unfriendly – we're complying with fire laws!

SAFETY REMINDER
University Police has reminds all of us to use good judgement when traveling to and from campus. Avoid walking in the evening hours (6 p.m.-7 a.m.) alone and use the escort service to public transportation, the parking lots or to KCH for a radius of 6 blocks of the campus. University Police prefers we use the Church Avenue station in the evening hours. Call 270-2626 and the van will pick you up from the station.

ARE YOU CALIFORNIA BOUND?
In a letter dated February 4, 2005, the Medical Board of California has confirmed that they will accept a 4 week clinical rotation in any of the following clinical subject areas to fulfill their family practice licensing requirement: ambulatory care, community medicine, family practice, primary care, outpatient care, preventive and social medicine, preventive medicine.

WHERE TO GET DIFFERENT TYPES OF LETTERS

Attendance: Letters simply certifying that you are a student in school, or in good academic standing, etc. may be obtained directly from the Registrar’s Office. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items which must be included in the letter, and any information which you would like included about activities which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. The court’s final decision prevails. You may need to serve during your vacation period.

DO YOU HAVE QUESTIONS?

If you have a question and don’t know where to go for an answer, or have a concern, please remember that you can send email inquiries to Dr. Lorraine Terracina or Ms. Sophie Christoforou. Dr. Terracina and Ms. Christoforou are also available for individual appointments. To schedule an individual appointment with Dr. Terracina, send her an email (Lorraine.Terracina@downstate.edu). To schedule an appointment with Ms. Christoforou, call 270-1107. If you have a question, don’t be afraid to ask!

Glass Bulletin Board Items

(First floor, next to Room 111, Basic Science Bldg.)

Note: Sometimes, various programs send their notices of programs and opportunities too late to appear in that month’s newsletter. If the deadline for the program is before the next newsletter will be published, the information will still be posted in the glass bulletin board. Therefore, periodically check the bulletin board for such late announcements.

This should not be considered a school endorsement. We have received a notice about a 2 week Spanish intensive blending language course which includes 35 hours of formal classroom study plus 10 additional hours of lectures and visits to local hospitals, medical and nursing schools and other health providers. The program is called the Medical Spanish Program in Ecuador with the Centers for Interamerican Studies (CEDEI). Their website is http://www.cedei.org/cuenca/programs/spanish/medical. This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen. They charge tuition and we have no information about the quality of the program or its operation.

INTERNATIONAL HEALTH ELECTIVES are available through CHILD FAMILY HEALTH INTERNATIONAL. Go to www.cfhi.org. Their application is at www.cfhi.org/program_intro.php4. This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen.
