ANNOUNCEMENTS

HOWARD HUGHES MEDICAL INSTITUTE
You are invited! A medical student currently in the NIH Cloister program will be here Wednesday, November 14 at 4 pm in the Student Center Main Lounge to explain the program and how to apply. Everyone is invited to this informational session. You do not need prior research experience. It doesn’t hurt to come and listen. Food available too!

THE NYC MARATHON!
Join me in a round of applause and support for 5 members of the student body who are running the incredible NYC Marathon this Sunday, Nov. 4 – Michaelangelo Fuortes (MD/PhD), Stephanie Melka (2008), Megan Miller (2008), Dominic Moore (2008), Christen Russo (2008). Congratulations!

MS 2’s - DID YOU DO SOMETHING NICE THIS SUMMER?
If you are a second year medical student and you did research or some other educationally related experience this summer, do not forget to have your preceptor/supervisor send a letter describing your experience (what you did) and how you performed, for inclusion in your academic file. The letter should be addressed to: Lorraine Terracina, Ph.D., SUNY Downstate Medical Center, 450 Clarkson Avenue, Box 85, Brooklyn, NY 11203. Our fax number is (718) 270-7592. The letter must be from your preceptor/attending, not from you, in order to be included in your academic file. It must be on letterhead and signed.

In order to determine if your letter has been received, go to the Office of the Registrar during office hours, show your ID card and ask to see your academic file. The letter should be in there if it has been received.

MS 3’s and MS 4’s NEEDED
We need MS 3 and MS 4 students to assist with campus tours for medical school applicants. Please contact Ms. Ilana Levine (College of Medicine Interview Coordinator) in the Admissions Office if you are available from 12-1 p.m. Or, contact her via email (Ilana.Levine@downstate.edu)

FUNDING FOR COMMUNITY SERVICE

PFIZER COMMUNITY SERVICE GRANT
SUNY Downstate is fortunate to have received an educational grant from Pfizer Pharmaceutical to conduct community health education programs. There are two grants available, each $500. This is a community education outreach program, and can also be used as a student organization fund-raising opportunity. Each outreach program is envisioned as a 1-2 hour session on a health education topic directed at a target community audience. The audience could be children, teenagers or adults in the borough of Brooklyn. Ideally, the program should be offered in a community location, which is convenient to the target audience, to encourage attendance. Topics or subjects, which were funded previously under this grant, will not be considered again. For an application form, which details more information about the guidelines for submission, please go to http://sls.downstate.edu/student_affairs/newsletters/newsletters_medicine.html

WHERE TO GO FOR...

Curriculum Changes – The Curriculum and Educational Policies Committee of the Faculty of the College of Medicine is chaired by Dr. Margaret Golden from the Dept. of Pediatrics and has 2 student representatives from each medical school class year.

Curriculum Changes, Academic Requirements Changes, Academic Policy Changes – The Dean’s Education Council oversees the curriculum and academic policies for all four medical school years. The Committee is chaired by Stanley Friedman, M.D., Senior Associate Dean for Education. The Committee’s recommendations go directly to the Dean of the College of Medicine, Ian Taylor, M.D., Ph.D. There are two student representatives on the committee – the president of Medical Student Council (Michael Seibert) and the president of the MS 4 class (Susan Cheng). The Committee meets once a month.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY- Join the Medical Reserve Corps/NYC
The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit
www.medicalreserve.org for more information and to register. You may also call 866-NYCDOH1 for more information or to register, and email any questions to healthmrc@health.nyc.gov.

WHY ARE ALL OF THOSE DOORS CLOSED?
Have you been wondering why the corridor and office doors are closed? The fire marshal came by and apparently all of the doors have to be closed to fulfill fire regulations. So it's not to make life difficult (try opening one of the heavy doors with both hands carrying something) or to make the corridors seem unfriendly – we're complying with fire laws!

MS 1 & MS 2 CARREL COORDINATORS
MS 1 students should report carrel or key problems to Viktorniya Nikolenko in Room 605, HSEB; telephone x7524. She has an email account so you can email her.

MS 2 students should report carrel or key problems to Hugh Pitter in Room 511, HSEB; telephone X7507 and he's on email too.

WHERE TO GET DIFFERENT TYPES OF LETTERS
http://sls.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Registrar’s Office. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.

SUNY DOWNSTATE BRAGGING RIGHTS x 2
1st place in Northeast Medical School Jeopardy for the second year in a row!
In addition to the kudos below, the MS 4 class and the College of Medicine proudly announces that the SUNY Downstate team won first place in this year’s Northeast American College of Physicians’ Medical School Jeopardy Tournament for the second year in a row! The tournament is sponsored each year by Yale, and was held on September 29. The other medical school teams participating were from NYU, New York Medical College, U of Mass, U of Vermont, Yale and U of Conn. The members of the winning SUNY Downstate team are: Avrahom Gurwitz, Emily Levine, Anthony Visioni, Kristina Wittig, and Thomas Seufert (alternate). A big round of applause for the SUNY Downstate team and their hard work!
