SSR FOOD DRIVE -- Downstate's Students for Social Responsibility (SSR) will be holding a "virtual" food drive from 12/10 - 12/14 to help raise money for more than one million starving New Yorkers. Donating just one dollar can buy enough food for 5 full meals. Please look for an upcoming email with information on how to donate online, or look for the SSR Food Drive table in front of the cafeteria to donate in person during the week of 12/10 - 12/14 and help us make a difference during the holiday season.

REMINDER FOR INCLEMENT WEATHER DAYS
As it seems that winter weather has arrived, it's a good time to remind you that only President John LaRosa can declare SUNY Downstate closed due to inclement weather. However, the separate colleges or individual course directors may cancel classes due to inclement weather. To learn about the status of classes, check the SUNY Downstate website, or listen to the school closing announcements on the TV and radio, or contact the general operator for SUNY Downstate as described on the more detailed description on the last page of this newsletter.

SODEXHO INTRODUCES PREPAID PICK-UP LUNCH – Avoid long lines by ordering and paying for your lunch ahead of time. Just fill out the order form, available in the blue drop off box at the entrance of the cafeteria, and prepay before 10:30 am. Only sandwiches can be preordered/prepaid.

MS 2’s - DID YOU DO SOMETHING NICE THIS SUMMER?
If you are a second year medical student and you did research or some other educationally related experience this summer, do not forget to have your preceptor/attending send a letter describing your experience (what you did) and how you performed, for inclusion in your academic file. The letter should be addressed to: Lorraine Terracina, Ph.D., SUNY Downstate Medical Center, 450 Clarkson Avenue, Box 85, Brooklyn, NY 11203. Our fax number is (718) 270-7592. The letter must be from your preceptor/attending, not from you, in order to be included in your academic file. It must be on letterhead and signed.

In order to determine if your letter has been received, go to the Office of the Registrar during office hours, show your ID card and ask to see your academic file. The letter should be in there if it has been received.

MS 3’s and MS 4’s NEEDED
We need MS 3 and MS 4 students to assist with campus tours for medical school applicants. Please contact Ms. Ilana Levine (College of Medicine Interview Coordinator) in the Admissions Office if you are available from 12-1 p.m. Or, contact her via email (Ilana.Levine@downstate.edu)

NIH Research Scholars Program
(Cloister Program)
Most students participate as Research Scholars after their 2nd or 3rd year of medical school. Students may work on basic, translational or applied biomedical research. Prior research experience may be advantageous but is not required. You select your preceptor and research project after your acceptance into the program. Students chosen as HHMI-NIH Research Scholars (about 40 are selected each year – we have had students chosen for this program) will work at the NIH for approximately one year, beginning July 15 and August 31. There is a stipend. Moving expenses and subsidized, on-campus housing is also part of the program.

HHMI Research Training Fellowships for Medical Students
(non-cloister)
This permits students to spend one year conducting research at any school or non-profit research institution in the USA except the NIH. We have had students do this program, too! There is a stipend.

The NIH CLINICAL RESEARCH TRAINING PROGRAM is a one-year program at the NIH for medical students who have completed one year of clinical rotations (you spend the year in-between the third and fourth year at the NIH). 30 students per year are accepted into the program. There is a stipend. Informational brochure in the Office of Student Affairs. Read about the NIH Clinical Research Training Program at: http://www.training.nih.gov/crtp. Application deadline January 15, 2008.

We have two students who have experience with this program.

MS 4 Jeong Choi – just returned from the NIH CRTP

MS 3 Priya Mahindra – currently in the NIH CRTP

**PFIZER COMMUNITY SERVICE GRANT**
SUNY Downstate is fortunate to have received an educational grant from Pfizer Pharmaceutical to conduct community health education programs. There are two grants available, each $500. This is a community education outreach program, and can also be used as a student organization fund-raising opportunity. Each outreach program is envisioned as a 1-2 hour session on a health education topic directed at a target community audience. The audience could be children, teenagers or adults in the borough of Brooklyn. Ideally, the program should be offered in a community location, which is convenient to the target audience, to encourage attendance. Topics or subjects, which were funded previously under this grant, will not be considered again. For an application form, which details more information about the guidelines for submission, please go to [http://sls.downstate.edu/student_affairs/newsletters/newsletters_medicine.html](http://sls.downstate.edu/student_affairs/newsletters/newsletters_medicine.html)

WHERE TO GO FOR…
Curriculum Changes – The Curriculum and Educational Policies Committee of the Faculty of the College of Medicine is chaired by Dr. Margaret Golden from the Dept. of Pediatrics and has 2 student representatives from each medical school class year.

Curriculum Changes, Academic Requirements Changes, Academic Policy Changes – The Dean’s Education Council oversees the curriculum and academic policies for all four medical school years. The Committee is chaired by Stanley Friedman, M.D., Senior Associate Dean for Education. The Committee’s recommendations go directly to the Dean of the College of Medicine, Ian Taylor, M.D., Ph.D. There are two student representatives on the committee – the president of Medical Student Council (Michael Seibert) and the president of the MS 4 class (Susan Cheng). The Committee meets once a month.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY - Join the Medical Reserve Corps/NYC
The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYC-DOH1 for more information or to register, and email any questions to healthmrc@health.nyc.gov.

WHY ARE ALL OF THOSE DOORS CLOSED?
Have you been wondering why the corridor and office doors are closed? The fire marshal came by and apparently all of the doors have to be closed to fulfill fire regulations. So it’s not to make life difficult (try opening one of the heavy doors with both hands carrying something) or to make the corridors seem unfriendly – we’re complying with fire laws!

RESIDENCY INFORMATION RESOURCES
Careers In Medicine Web Site
Careers in Medicine, a career development program to assist you in choosing a specialty and plan for residency. To access Careers in Medicine, go to www.aamc.org/careersinmedicine and click on the “Login” button on the left menu bar. If you are new to the site, you will need to register. Click on the “New User” button on the bottom of the page. To obtain an access code, email Ms. Anne Shonbrun in the Office of the Registrar.

A Guide to the Preparation of the Medical Student Performance Evaluation (also known as the Dean’s Letter) http://sls.downstate.edu/student_affairs/residency/index.html
We do not send your academic file to residency programs. You fill out an application form known as ERAS, very similar to the AMCAS application in format. A letter summarizing your academic performance in medical school, MSPE, is also sent to residency programs.

Roadmap to Residency: From Application to the Match and Beyond http://sls.downstate.edu/student_affairs/residency/index.html

From the AAMC, includes information about Step 1 scores, number of programs on the rank order list, AOA honor society membership, and research accomplishments.

Charting Outcomes in the Match: Characteristics of Applicants Who Matched to Their Preferred Specialty in the 2007 NRMP Main Residency Match
This updates the 2005 report with the 2007 cohort. Compare the two and see if the specialties you are interested in have changed.

MS 1 & MS 2 CARREL COORDINATORS
MS 1 students should report carrel or key problems to Viktoriya Nikolenko in Room 605, HSEB; telephone x7524. She has an email account so you can email her.
WHERE TO GET DIFFERENT TYPES OF LETTERS

http://sls.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are a student in school, or in good academic standing, etc. may be obtained directly from the Registrar’s Office. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.

EMERGENCIES (Weather and Other Events)
(CANCELLATION OF CLASSES)

While Downstate Medical Center (school and hospital) has not been closed due to a snow emergency, if such a declaration were to be made, you would hear the notification on your local radio or television station, the same as the notification for other school closings. You may also telephone the University Operator at 718 270-1000.

Only the President of the Downstate Medical Center is authorized to cancel academic classes at Downstate Medical Center.

However, inclement weather or other events, may cause the cancellation of specific classes by the course instructor or college dean. If a weather emergency or other emergency event should occur, you should check the SUNY Downstate website for information. In addition, you may telephone the general campus telephone number which is 718 270-1000.

When you call 718 270-1000, you will hear, "Welcome to Downstate Medical Center and its University Hospital of Brooklyn. University Hospital and all Colleges remain OPEN today. However, college class instructors have the option of canceling individual classes. Students should Press "2" to hear the status of classes in your individual program. All others, Press "1" to continue to the main menu."

When you press "2," you will hear
For MS1 press 1
For MS2, press 2
For College of Nursing, press 3
For College of Health Related Professions, press 4
For the School of Graduate Studies, press 5
For the Masters in Public Health, press 6

College of Medicine, Years 1 & 2 only
Once you press the appropriate year, your block director will have an announcement, which states the class schedule for all activities for that day, for that block.

College of Medicine, Years 3 & 4
Follow the schedule at your clinical site. Contact your preceptor and your clerkship director if you are unsure about your responsibilities or the clinical schedule.
