Students of Downstate’s COM are now operating a free clinic! The BROOKLYN FREE CLINIC opened its doors on January 8, 2008 in Bedford-Stuyvesant. Staffed entirely by student and faculty volunteers from Downstate, the clinic provides primary care and preventive medicine to uninsured patients every Tuesday night from 5:30 to 8:30 PM. As well as providing a valuable service to the community, the clinic serves as a unique experience for medical students to learn clinical skills in an interdisciplinary environment. The clinic is currently seeking student volunteers, for summer 2008 and academic year 2008-2009. If interested, please go to http://www.brooklynfreeclinic.org/public/volunteer.html or contact HRChair@brooklynfreeclinic.org.

Are you interested in Rural Health and Anesthesia? The Committee on Rural Access to Anesthesia Care is offering a scholarship program to pay for expenses for travel and lodging for a rural anesthesia elective. FUNDING FOR COMMUNITY SERVICE

PFIZER COMMUNITY SERVICE GRANT

SUNY Downstate is fortunate to have received an educational grant from Pfizer Pharmaceutical to conduct community health education programs. There is one remaining grant available for $500. This is a community education outreach program, and can also be used as a student organization fund-raising opportunity. Each outreach program is envisioned as a 1-2 hour session on a health education topic directed at a target community audience. The audience could be children, teenagers or adults in the borough of Brooklyn. Ideally, the program should be offered in a community location, which is convenient to the target audience, to encourage attendance. Topics or subjects, which were funded previously under this grant, will not be considered again. For an application form, which details more information about the guidelines for submission, please go to http://slds.downstate.edu/student_affairs/newsletters/newsletters_medicine.html

**HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY- Join the Medical Reserve Corps/NYC**
The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit [www.medicalreserve.org](http://www.medicalreserve.org) for more information and to register. You may also call 866-NYCDHI for more information or to register, and email any questions to healthmrc@health.nyc.gov.

**DO YOU KNOW WHERE TO GO IN CASE OF AN EMERGENCY? HURRICANE EVACUATION ZONE FINDER**
Find out if your address is located in an evacuation zone. Go to [www.NYC.gov/hurricanezones](http://www.NYC.gov/hurricanezones)

**WHERE TO GET DIFFERENT TYPES OF LETTERS**
[http://sls.downstate.edu/student_affairs/where_to_get_letters.html](http://sls.downstate.edu/student_affairs/where_to_get_letters.html)

**Attendance:** Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Registrar’s Office. This also applies to applications for away (extramural) electives.

**Scholarship Letters and School Letters of Recommendation for Special Programs:** If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

**Faculty Letters of Recommendation:** If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

**Jury Duty Letters:** You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.
WHY ARE ALL OF THOSE DOORS CLOSED?
Have you been wondering why the corridor and office doors are closed? The fire marshal came by and apparently all of the doors have to be closed to fulfill fire regulations. So it's not to make life difficult (try opening one of the heavy doors with both hands carrying something) or to make the corridors seem unfriendly — we're complying with fire laws!

MS 1 & MS 2 CARREL COORDINATORS
MS 1 students should report carrel or key problems to Viktoriya Nikolenko in Room 605, HSB; telephone x7524. She has an email account so you can email her.

MS 2 students should report carrel or key problems to Hugh Pitter in Room 511, HSB; telephone X7507 and he’s on email too.

SUNY DOWNSSTATE BRAGGING RIGHTS x 5
Congratulations to Noriyuki Murakami, MS 3 on his selection for the NIH Fogarty/Ellison one year clinical research program in Thailand!

Congratulations to Lillian Guenther, MS 2 on her selection for the NIH Howard Hughes Medical Institute one year research program at the NIH campus!

Congratulations to Ahmed Zihni, MS 3 on his selection for the Doris Duke Clinical Research Fellowship at UNC Chapel Hill!

1st place in Northeast Medical School Jeopardy for the second year in a row!
In addition to the kudos below, the MS 4 class and the College of Medicine proudly announces that the SUNY Downstate team won first place in this year’s Northeast American College of Physicians’ Medical School Jeopardy Tournament for the second year in a row! The tournament is sponsored each year by Yale, and was held on September 29. The other medical school teams participating were from NYU, New York Medical College, U of Mass, U of Vermont, Yale and U of Conn. The members of the winning SUNY Downstate team are: Avraham Gurwitz, Emily Levine, Anthony Visioni, Kristina Wittig, and Thomas Seufert (alternate). A big round of applause for the team and SUNY Downstate!

Congratulations to the Class of 2009, for a 100% pass rate on the first attempt of Step 1, USMLE; and to the Class of 2008 with a 99% pass rate on the first attempt for Step 1, USMLE. For the Class of 2008, their 99% first attempt pass rate compares with a 93% first attempt nationally. For Step 2, USMLE, the Class of 2007 had a first attempt pass rate of 97% compared to 95% nationally.

EMERGENCIES (Weather and Other Events)
(CANCELLATION OF CLASSES)
While Downstate Medical Center (school and hospital) has not been closed due to a snow emergency, if such a declaration were to be made, you would hear the notification on your local radio or television station, the same as the notification for other school closings. You may also telephone the University Operator at 718 270-1000.

Only the President of the Downstate Medical Center is authorized to cancel academic classes at Downstate Medical Center.
However, inclement weather or other events, may cause the cancellation of specific classes by the course instructor or college dean. If a weather emergency or other emergency event should occur, you should check the SUNY Downstate website for information. In addition, you may telephone the general campus telephone number which is 718 270-1000.

When you call 718 270-1000, you will hear, "Welcome to Downstate Medical Center and its University Hospital of Brooklyn. University Hospital and all Colleges remain OPEN today. However, college class instructors have the option of canceling individual classes. Students should Press "2" to hear the status of classes in your individual program. All others, Press "1" to continue to the main menu."

When you press "2," you will hear
For MS1 press 1
For MS2, press 2
For College of Nursing, press 3
For College of Health Related Professions, press 4
For the School of Graduate Studies, press 5
For the Masters in Public Health, press 6

College of Medicine, Years 1 & 2 only
Once you press the appropriate year, your block director will have an announcement, which states the class schedule for all activities for that day, for that block.

College of Medicine, Years 3 & 4
Follow the schedule at your clinical site. Contact your preceptor and your clerkship director if you are unsure about your responsibilities or the clinical schedule.
