Application deadline is December 5, 2008. We are pleased that one of our students was selected as a 2008 participant.

The NIH CLINICAL RESEARCH TRAINING PROGRAM is a one-year program at the NIH for medical students who have completed one year of clinical rotations (you spend the year in-between the third and fourth year at the NIH). 30 students per year are accepted into the program. There is a stipend. Informational brochure in the Office of Student Affairs. Read about the NIH Clinical Research Training Program at: http://www.training.nih.gov/crtp Application available in October. MS 4 Priya Mahindra just returned from the CRTP.

HOWARD HUGHES MEDICAL INSTITUTE
You are invited! A medical student currently in the NIH Cloister program will be here Wed. Nov. 12 at 3:30 pm to explain the program and how to apply. Everyone is invited to this informational session. You do not need prior research experience. It doesn’t hurt to come and listen. Food available too!

NIH Research Scholars Program (Cloister Program)
Most students participate as Research Scholars after their 2nd or 3rd year of medical school. Students may work on basic, translational or applied biomedical research. Prior research experience may be advantageous but is not required. You select your preceptor and research project after your acceptance into the program. Students chosen as HHMI-NIH Research Scholars (about 40 are selected each year – we have had students chosen for this program) will work at the NIH for approximately one year, beginning July 15 and August 31. There is a stipend. Moving expenses and subsidized, on-campus housing is also part of the program.

HHMI Research Training Fellowships for Medical Students (non-cloister)
This permits students to spend one year conducting research at any school or non-profit research institution in the USA except the NIH. We have had students do this program, too! There is a stipend.

The NIH YEAR-OFF TRAINING PROGRAM – for more information go to www.training.nih.gov/student/Pre-IRTA/iritamannualinterim.asp

RESIDENCY INFORMATION RESOURCES
Residency Match List
See the 2008 Residency Match list in the glass bulletin board next to the Office of the Registrar. The residency match lists for the last 13 years is posted on the Student Affairs website.

Careers In Medicine Web Site
Careers in Medicine, a career development program to assist you in choosing a specialty and plan for residency. To access Careers in Medicine, go to www.aamc.org/careersinmedicine and click on the “Login” button on the left menu bar. If you are new to the site, you will need to register. Click on the “New User” button on the bottom of the page. To obtain an access code, email Ms. Anne Shonbrun in the Office of the Registrar (Anne.Shonbrun@downstate.edu).

Careers in Medicine has released a new tool called Residency Preference Exercise. This exercise helps medical students identify criteria important to them in selecting a residency program and, using that information, searching for and rating programs on how well the program fits those criteria.

The Careers in Medicine newsletter, Choices, is now available from the Careers in Medicine website (www.aamc.org/students/cim/choicesnewsletter.pdf) The newsletter provides important information about residency and career choice topics. The October, 2008 newsletter spotlights Neurology. The August, 2008 newsletter spotlighted Otolaryngology (ENT).

A Guide to the Preparation of the Medical Student Performance Evaluation (also known as the Dean’s Letter) http://sls.downstate.edu/student_affairs/residency/index.html
We do not send your academic file to residency programs. You fill out an application form known as ERAS, very similar to the AMCAS application in format. A letter summarizing your academic performance in medical school, MSPE, is also sent to residency programs.

Roadmap to Residency: From Application to the Match and Beyond http://sls.downstate.edu/student_affairs/residency/index.html

From the AAMC, includes information about Step 1 scores, number of programs on the rank order list, AOA honor society membership, and research accomplishments. This updates the 2005 report with the 2007 cohort. Compare the two and see if the specialties you are interested in have changed.

SCHOLARSHIPS

GENERAL INFORMATION

DID YOU DO SOMETHING NICE THIS SUMMER?

If you are a second year medical student and you did research or some other educationally related experience this summer, do not forget to have your preceptor/supervisor send a letter describing your experience (what you did) and how you performed, for inclusion in your academic file. The letter should be addressed to: Lorraine Terracina, Ph.D., SUNY Downstate Medical Center, 450 Clarkson Avenue, Box 85, Brooklyn, NY 11203. Our fax number is (718) 270-7592. The letter must be from your preceptor/attending, and must be on letterhead and signed.

In order to determine if your letter has been received, go to the Office of the Registrar during office hours, show your ID card and ask to see your academic file. The letter should be in there if it has been received.

DIGITAL MONITOR AND POSTER GUIDELINES

from the Office of Institutional Advancement

Digital Monitors

As part of Downstate's campus communications efforts, Biomedical Communications has placed digital signage monitors in strategic locations across the campus.

Guidelines and a submission form for submitting digital signage announcements are now available at http://www.downstate.edu/ia/signage.html. Requests for posting on the digital monitors can also be included with items submitted to the Announcements Newsletter.

We encourage departments and staff to work with Biomedical Communications to develop announcements for the digital signage monitors; its staff of designers can help you create visually interesting posts to draw attention to your message (hourly rates apply; submit a requisition to Biomedical Communications with your copy).

Posters

Please note that posters are no longer allowed in the UHB and Basic Sciences Building lobbies, and will be removed if placed there.

A posting "cube" option is now available in the lobby of the Health Science Education lobby at 395 Lenox Road for departments that want to display hardcopy posters. Submit requisitions and poster information directly to Biomedical Communications. Flyers may not be tacked on the cubes; posters on easels or placed on the floor at this location will be removed.

THE NIH SUPPORTS RESEARCH CAREERS BY REPAYING STUDENT LOAN DEBT

The NIH is now accepting applications for its extramural Loan Repayment Programs (LRPs). The LRPs repay up to $35,000 of educational loan debt annually for individuals who commit to conducting at least 2 years of qualified biomedical or behavioral research at a nonprofit institution of their choice. You must hold a Ph.D or MD to be eligible to apply. Visit www.lrp.nih.gov for more information.

DIRECTOR OF STUDENT COUNSELING

This is a reminder that we have a director of student counseling, Dr. Christine Saunders-Fields. To schedule an appointment, please telephone 718 270-1408 or email her at counseling@downstate.edu All appointments and sessions are completely confidential. I strongly recommend the relaxation exercises for everyone! The service is free of charge.

EPOCRATES is offering Epocrates Essentials to you. To check if your handheld device is compatible, to www.epocrates.com/products/essentials/requirements.html You are allowed one download per year up to four years. Email me to receive the URL link. You will be taken to a product demonstration/log in page and then to a product demonstration. After viewing the demonstration, you may download Epocrates Essentials.

CHILD CARE

The Children's Center at SUNY Downstate provides daycare services for children age 2 months –5 years and is fully licensed by the NY Dept of Health & Bureau of Day Care Services. Hours are 7:30 a.m.-5:30 p.m., Mondays-Fridays. Location is 440 Lenox Road. Openings are available. If you would like more information or a tour, contact 718 221-6160.

WHERE TO GO FOR...

Curriculum Changes – The Curriculum and Educational Policies Committee of the Faculty of the College of Medicine is co-chaired by Drs. Michael Lucchesi and Keith Williams, and has 2 student representatives from each medical school class year.

Curriculum Changes, Academic Requirements Changes, Academic Policy Changes – The Dean’s Education Council oversees the curriculum and academic policies for all four medical school years. The Committee is chaired by Stanley Friedman, M.D., Senior Associate Dean for Education. The Committee’s recommendations go directly to the Dean of the College of Medicine, Ian Taylor, M.D., Ph.D. There are two student representatives on the committee – the president of Medical Student Council (Michael Allison) and the president of the MS 4 class (Jessica Wong). The Committee meets once a month.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY- Join the Medical Reserve Corps/NYC

The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYC-DOH1 for more information or to register, and email any questions to healthmrc@health.nyc.gov.

SENIOR CLASS NOTES

MS 4 EXTRAMURAL (AWAY) ELECTIVES

The AAMC has an Extramural Electives Compendium at www.aamc.org/stuapps/electives in the "Students and Residents" section of the AAMC website. This lists the contact person, name and mailing address, for away electives at other medical schools.
WHERE TO GET DIFFERENT TYPES OF LETTERS
http://sls.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Registrar’s Office. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.

SAFETY REMINDER
University Police has reminds all of us to use good judgment when traveling to and from campus. Avoid walking in the evening hours (6 p.m.-7 a.m.) alone and use the escort service to public transportation, the parking lots or to KCH for a radius of 6 blocks of the campus. University Police prefers we use the Church Avenue station in the evening hours. Call 270-2626 and the van will pick you up from the station.

MS 1 & MS 2 CARREL COORDINATORS
MS 1 students should report carrel or key problems to Viktoria Nikolaenko in Room 605, HSEB; telephone x7524. She has an email account so you can email her.

MS 2 students should report carrel or key problems to Hugh Pitter in Room 511, HSEB; telephone X7507 and he’s on email too.

Glass Bulletin Board Items
(First floor, next to Room 111, Basic Science Bldg.)

Note: Sometimes, various programs send their notices of programs and opportunities too late to appear in that month’s newsletter. If the deadline for the program is before the next newsletter will be published, the information will still be posted in the glass bulletin board. Therefore, periodically check the bulletin board for such late announcements.

EMERGENCIES (Weather and Other Events)
(CANCELLATION OF CLASSES)
While Downstate Medical Center (school and hospital) has not been closed due to a snow emergency, if such a declaration were to be made, you would hear the notification on your local radio or television station, the same as the notification for other school closings. You may also telephone the University Operator at 718-270-1000. Only the President of the Downstate Medical Center is authorized to cancel all classes at Downstate Medical Center.

However, inclement weather or other events, may cause the cancellation of specific classes by the course instructor or college dean. If a weather emergency or other emergency event should occur, you should check the SUNY Downstate website for information. In addition, you may telephone the general campus telephone number which is 718 270-1000.

When you call 718 270-1000, you will hear, "Welcome to Downstate Medical Center and its University Hospital of Brooklyn. University Hospital and all Colleges remain OPEN today. However, college class instructors have the option of canceling individual classes. Students should Press "2" to hear the status of classes in your individual program. All others, Press "1" to continue to the main menu."

When you press "2," you will hear
For MS1 press 1
For MS2, press 2
For College of Nursing, press 3
For College of Health Related Professions, press 4
For the School of Graduate Studies, press 5
For the Masters in Public Health, press 6

Note: Sometimes, various programs send their notices of programs and opportunities too late to appear in that month’s newsletter. If the deadline for the program is before the next newsletter will be published, the information will still be posted in the glass bulletin board. Therefore, periodically check the bulletin board for such late announcements.

CROSSING CULTURES SENEGAL 2009

This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen.

Crossing Cultures offers a stimulating travel and educational program focused on the French-speaking Republic of Senegal, West Africa. The program dates for the 2009 Crossing Cultures program are June 29 – July 14. It will be ID’s 20th program to Senegal.

Led by two former Peace Corps volunteers, this well-established program appeals to people in and out of academia. It works well for those who want to experience family life and community projects in the rural areas of this diverse nation, and for those with special interests in dance and music training, environment, medicine, government, agriculture, language or education and health projects.

The Crossing Cultures group is small, no more than five, allowing the leaders to tailor activities to the participants’ interests. Reasonable cost. Extended stays for volunteer work or field study can be facilitated. For more information, contact:
