ANNOUNCEMENTS

Welcome back! Happy 2009!

FINANCIAL AID NEWS: If you need a budget adjustment, remember to complete the form and return it to the Office of Financial Aid, preferably by December 29, 2009.

If you are experiencing financial problems or if your financial situation has changed since the beginning of the school year, make an individual appointment with a staff member to discuss your situation and see if you have options. Do not suffer in silence!

The Point Foundation offers scholarships for LGBT students. Go to http://www.pointfoundation.org/ for more information.

The ROBERT F. FURCHGOTT SOCIETY announces the Robert F. Furchgott Medical Student Research Award for a 2009 graduating medical student in recognition of outstanding research. For more information go to http://www.downstate.edu/RFFS/award_med_student.html

UPCOMING PRESENTATIONS FOR, MS 1
Dr. Stanley Friedman has organized a series of research talks by SUNY Downstate faculty. This will give you an opportunity to meet the faculty. The first talk is scheduled for January 5 in Classroom 1A at 12 noon.

DISCOUNTED SOFTWARE FOR STUDENTS
(Announcement from SUNY Downstate’s Information Services)

The full version of Microsoft Office is now available through the New York State Microsoft Select Program at significantly reduced pricing for SUNY students and for work-at-home by faculty and staff. The Student Select program requires no funding or distribution resources by your campus. [Note: We are listed as Brooklyn, Health Science Center on the pull down menu.]

This program is separate from Select programs for institutional acquisitions and is an alternative to the Microsoft Campus Agreement Student Option.

Microsoft Office is available for both PC (Windows) and Apple Macintosh platforms. Windows Vista upgrades are also available through Select. This and other software negotiated for SUNY such as Adobe, SPSS and Quark are available on-line from University at Buffalo UBMicro IT Support Services, the HP designated SUNY distributor for the Microsoft Select Program.

Individuals may order these products from our secure web site at http://www.ubmicrosuny.com/.

MS 3’s and MS 4’s NEEDED
We need MS 3 and MS 4 students to assist with campus tours for medical school applicants. Please contact Ms. Ilana Levine (College of Medicine Interview Coordinator) in the Admissions Office if you are available. Or, contact her via email or internet (Ilana.Levine@downstate.edu)

CONFERENCES

The Summer Institute in Geriatric Medicine is from June 1-5, 2009 in Boston. It will provide medical students entering their third or fourth of medical school by July 2009 with an opportunity to gain exposure to academic geriatrics and research in geriatric medicine.

HOWARD HUGHES MEDICAL INSTITUTE

NIH Research Scholars Program
(Cloister Program)

Most students participate as Research Scholars after their 2nd or 3rd year of medical school. Students may work on basic, translational or applied biomedical research. Prior research experience may be advantageous but is not required. You select your preceptor and research project after your acceptance into the program. Students chosen as HHMI-NIH Research Scholars (about 40 are selected each year – we have had students chosen for this program) will work at the NIH for one year, beginning July 15 and August 31.

There is a stipend. Moving expenses and subsidized, on-campus housing is also part of the program. Application Deadline: January 10, 2009.

HHMI Research Training Fellowships for Medical Students
(non-cloister)

This permits students to spend one year conducting research at any school or non-profit research institution in the USA except the NIH. We have had students do this program, too! There is a stipend. Application Deadline: January 11, 2009

http://www.hhmi.org/grants/individuals/medfellows.html

The NIH CLINICAL RESEARCH TRAINING PROGRAM is a one-year program at the NIH for medical students who have completed one year of clinical rotations (you spend the year in-between the third and fourth year at the NIH. 30 students per year are accepted into the program. There is a stipend. Informational brochure in the Office of Student Affairs. Read about the NIH Clinical Research Training Program at:

**RESIDENCY INFORMATION RESOURCES**

Residency Match List

See the 2008 Residency Match list in the glass bulletin board next to the Office of the Registrar. The residency match lists for the last 13 years is posted on the Student Affairs website.

A Guide to the Preparation of the Medical Student Performance Evaluation (also known as the Dean’s Letter) [http://sls.downstate.edu/student_affairs/residency/index.html](http://sls.downstate.edu/student_affairs/residency/index.html)
We do not send your academic file to residency programs. You fill out an application form known as ERAS, very similar to the AMCAS application in format. A letter summarizing your academic performance in medical school, MSPE, is also sent to residency programs.

**Careers In Medicine Web Site**

Careers in Medicine, a career development program to assist you in choosing a specialty and plan for residency. To access Careers in Medicine, go to [www.aamc.org/careersinmedicine](http://www.aamc.org/careersinmedicine) and click on the “Login” button on the left menu bar. If you are new to the site, you will need to register. Click on the “New User” button on the bottom of the page. To obtain an access code, email Ms. Anne Shonbrun in the Office of the Registrar (Anne.Shonbrun@downstate.edu).

Careers in Medicine has released a new tool called Residency Preference Exercise. This exercise helps medical students identify criteria important to them in selecting a residency program and, using that information, searching for and rating programs on how well the program fits those criteria.

The Careers in Medicine newsletter, Choices, is now available from the Careers in Medicine website ([www.aamc.org/students/cim/choicesnewsletter.pdf](http://www.aamc.org/students/cim/choicesnewsletter.pdf)). The newsletter provides important information about residency and career choice topics. The October, 2008 newsletter spotlights Neurology. The August, 2008 newsletter spotlighted Otolaryngology (ENT).

**DIGITAL MONITOR AND POSTER GUIDELINES**

from the Office of Institutional Advancement

- **Digital Monitors**
  
  As part of Downstate's campus communications efforts, Biomedical Communications has placed digital signage monitors in strategic locations across the campus.

  Guidelines and a submission form for submitting digital signage announcements are now available at [http://www.downstate.edu/ia/signage.html](http://www.downstate.edu/ia/signage.html). Requests for posting on the digital monitors can also be included with items submitted to the Announcements Newsletter.

  We encourage departments and staff to work with Biomedical Communications to develop announcements for the digital signage monitors; its staff of designers can help you create visually interesting posts to draw attention to your message (hourly rates apply; submit a requisition to Biomedical Communications with your copy).

- **Posters**

  Please note that posters are no longer allowed in the UHB and Basic Sciences Building lobbies, and will be removed if placed there.

  A posting "cube" option is now available in the lobby of the Health Science Education lobby at 395 Lenox Road for departments that want to display hardcopy posters. Submit requisitions and poster information directly to Biomedical Communications. Flyers may not be tacked on the cubes; posters on easels or placed on the floor at this location will be removed.

The NIH is now accepting applications for its extramural Loan Repayment Programs (LRPs). The LRPs repay up to $35,000 of educational loan debt annually for individuals who commit to conducting at least 2 years of qualified biomedical or behavioral research at a nonprofit institution of their choice. You must hold a Ph.D or MD to be eligible to apply. Visit [www.lrp.nih.gov](http://www.lrp.nih.gov) for more information.

**DIRECTOR OF STUDENT COUNSELING**

This is a reminder that we have a director of student counseling, Dr. Christine Saunders-Fields. To schedule an appointment, please telephone 718-270-1408 or email her at counseling@downstate.edu

All appointments and sessions are completely confidential. I strongly recommend the relaxation exercises for everyone! The service is free of charge.

**EPOCRATES** is offering Epocrates Essentials to you. To check if your handheld device is compatible, go to [www.epocrates.com/products/essentials/requirements.html](http://www.epocrates.com/products/essentials/requirements.html). You are allowed one download per year up to four years. Email me to receive the URL link. You will be taken to a product demonstration/log in page and then to a product demonstration. After viewing the demonstration, you may download Epocrates Essentials.
CHILD CARE
The Children's Center at SUNY Downstate provides daycare services for children age 2 months – 5 years and is fully licensed by the NY Dept of Health & Bureau of Day Care Services. Hours are 7:30 a.m.-5:30 p.m., Mondays-Fridays. Location is 440 Lenox Road. Openings are available. If you would like more information or a tour, contact 718 221-6160.

SENIOR CLASS NOTES

MS 4 EXTRAMURAL (AWAY) ELECTIVES
The AAMC has an Extramural Electives Compendium at www.aamc.org/stuapps/electives in the "Students and Residents" section of the AAMC website. This lists the contact person, name and mailing address, for away electives at other medical schools.

WHERE TO GET DIFFERENT TYPES OF LETTERS
http://sls.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Registrar’s Office. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY- Join the Medical Reserve Corps/NYC
The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYC-DOHI for more information or to register, and email any questions to healthmrc@health.nyc.gov.

(CANCELLATION OF CLASSES)
While Downstate Medical Center (school and hospital) has not been
closed due to a snow emergency, if such a declaration were to be
made, you would hear the notification on your local radio or
television station, the same as the notification for other school
closings. You may also telephone the University Operator at 718
270-1000. Only the President of the Downstate Medical Center is
authorized to cancel all classes at Downstate Medical Center.

However, inclement weather or other events, may cause the
cancellation of specific classes by the course instructor or college
dean. If a weather emergency or other emergency event should occur,
you should check the SUNY Downstate website for information. In
addition, you may telephone the general campus telephone number
which is 718 270-1000.

When you call 718 270-1000, you will hear, "Welcome to Downstate
Medical Center and its University Hospital of Brooklyn. University
Hospital and all Colleges remain OPEN today. However, college
class instructors have the option of canceling individual classes.
Students should Press "2" to hear the status of classes in your
individual program. All others, Press "1" to continue to the main
menu."

When you press "2," you will hear
For MS1 press 1
For MS2, press 2
For College of Nursing, press 3
For College of Health Related Professions, press 4
For the School of Graduate Studies, press 5
For the Masters in Public Health, press 6

College of Medicine, Years 1 & 2 only
Once you press the appropriate year, your block director will have an
announcement, which states the class schedule for all activities for
that day, for that block.

College of Medicine, Years 3 & 4
Follow the schedule at your clinical site. Contact your preceptor
and your clerkship director if you are unsure about your responsibilities
or the clinical schedule.

CROSSING CULTURES SENEGAL 2009

This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen.

Crossing Cultures offers a stimulating travel and educational program focused on the French-speaking Republic of Senegal, West Africa. The program dates for the 2009 Crossing Cultures program are June 29 – July 14. It will be ID’s 20th program to Senegal.

Led by two former Peace Corps volunteers, this well-established program appeals to people in and out of academia. It works well for those who want to experience family life and community projects in the rural areas of this diverse nation, and for those with special interests in dance and music training, environment, medicine, government, agriculture, language or education and health projects.

The Crossing Cultures group is small, no more than five, allowing the leaders to tailor activities to the participants’ interests. Reasonable cost. Extended stays for volunteer work or field study can be facilitated. For more information, contact:
