WHERE TO GET DIFFERENT TYPES OF LETTERS
http://sly.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Office of the Registrar. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.
