ANNOUNCEMENTS

CALENDAR REMINDERS
A reminder that in Spring, 2012, for MS 1 and MS 2, the first day of classes is Monday, January 2, 2012. Administrative offices are closed on January 2. The registration deadline for Spring 2012 is Tuesday, January 3, 2012, which includes the payment of your tuition bill.

MS 1 has an ECM 1 exam on Friday, December 23, which is the last day of fall classes.

WOMEN IN SURGERY SYMPOSIUM
May 31-June 2, 2012 at Johns Hopkins. Flyer on the newsletter page of the Student Affairs website.

KEYSTONE SYMPOSIA
These 55 research conferences span all facets of the life sciences. This is an opportunity to learn about late breaking research, build collaborations, present a poster or possibly be selected for a short talk. Items of note: 1) Keystone Symposia Scholarships provide up to $1200 to students to attend a Keystone Symposia conference.

Deadlines are 4 months before each conference meeting; 2) Keystone Symposia Underrepresented Minority (URM) Scholarships provide up to $1200 to students from URM backgrounds to attend a conference; 3) Global Health Travel Award is to assist attendance of students from countries where the meeting topic health problems are indigenous.

For more information about all three items, go to the following URL http://www.keystonesymposia.org/SubDirDefault.cfm?MenuNumber =4

For the list of the 55 research conferences, go to the following URL http://www.keystonesymposia.org/Meetings/ListMeetings.cfm

MS 2’s: DID YOU DO SOMETHING NICE THIS SUMMER?
If you are a second year medical student and you did research or some other educationally related experience this summer, do not forget to have your preceptor/supervisor send a letter describing your experience (what you did) and how you performed, for inclusion in your academic file. The letter should be addressed to: Lorraine Terracina, Ph.D., SUNY Downstate Medical Center, 450 Clarkson Avenue, Box 85, Brooklyn, NY 11203. The letter may also be send by fax (our fax number is (718) 270-7592) or by email (studentaffairs@downstate.edu). The letter must be from your preceptor/attending, not from you, in order to be included in your academic file. It must be on letterhead and signed.

In order to determine if your letter has been received, go to the Office of the Registrar during office hours, show your ID card and ask to see your academic file. The letter will be there, if it has been received.

MS 3’s and MS 4’s NEEDED
We need MS 3 and MS 4 students to assist with campus tours for medical school applicants. Please contact Ms. Ilana Levine (College of Medicine Interview Coordinator) in the Admissions Office if you are available from 12-1 p.m. Or, contact her via email or internet (Ilana.Levine@downstate.edu)

The SOCIETY FOR VASCULAR SURGERY (SVS) wants you to know how exciting their field is. Go to their website at www.VascularWeb.org

ONE YEAR RESEARCH PROGRAMS

NATIONAL INSTITUTE OF DIABETES AND DIGESTIVE AND KIDNEY DISEASES offers a one year research opportunity where you can seek funding. The information is at the following URL http://www2.niddk.nih.gov/Funding/TrainingCareerDev/MSRTGuidelines.htm

The deadline is April 15, 2012 for the 2012-2013 year

CDC EXPERIENCE APPLIED EPIDEMIOLOGY FELLOWSHIP
Rising 3rd and 4th year (current MS 2 and MS 3) medical students spend 10-12 months at the Centers for Disease Control in Atlanta, GA where they carry out epidemiologic analyses in areas of public health. Application deadline Friday, December 2, 2011 More information on the student newsletter web page and at http://www.cdc.gov/cdcexperiencefellowship/

HOWARD HUGHES MEDICAL INSTITUTE

HHMI Research Training Fellowships for Medical Students (Medical Fellows Program - non-cloister)
This permits students to spend one year conducting research at any school or non-profit research institution in the USA except the NIH. We have had students do this program, too! There is a stipend. The application is now available. The application deadline is January 11, 2012. For more information go to www.hhmi.org/medfellowships

The HHMI Cloister Program at the NIH is not available this year. http://www.hhmi.org/cloister/apply.html

Janelia Farm
Medical Research Fellows Program at Janelia Farm is in Ashburn, Virginia (Washington, DC area) and is for those with an interest in neuronal networking and/or imaging. For more information, go to www.hhmi.org/medfellowships Prescreening deadline November 1, 2011

COLLEGE OF MEDICINE
STUDENT NEWSLETTER
Lorraine Terracina, Ph.D.
Dean of Students
November, 2011
THE SARNOFF FELLOWSHIP PROGRAM
This program offers medical students who have completed their second or third year of medical school the opportunity to conduct research for one year. Prior research experience is not a prerequisite. The annual stipend is $28,500. The fellowship program’s website is www.SarnoffFoundation.org. Application deadline is January 11, 2012.

NIH MEDICAL RESEARCH SCHOLARS PROGRAM
This new, year long research enrichment program combines the Howard Hughes Medical Institute (HHMI)-NIH Research Scholars Program and the NIH Clinical Research Training (CRTP) Program. The application submission period is October 1, 2011-January 17, 2012. The application is available now. For more information about this program, the application form and other details, go to the following URL http://www.cc.nih.gov/training/mrsp/index.html

INTERNATIONAL OPPORTUNITIES THROUGH THE DORIS DUKE FOUNDATION
Six schools offer 12 fellowships. http://www.ddcf.org/Medical-Research/Program-Strategies/Clinical-Research/Clinical-Research-Fellowship-for-Medical-Students/International-Opportunities/

We currently have a student in the UCSF program.

CDC-HUBERT GLOBAL HEALTH FELLOWSHIP
This fellowship provides third- and fourth-year medical and veterinary students with valuable public health experience in an international setting. The main focus of the fellowship is a 6- to 12-week field assignment. Fellows are mentored by experienced CDC staff and learn through hands-on experience while working on a public health project in a developing country. http://www.cdc.gov/hubertfellowship/

ASPH/CDC ALLAN ROSENFIELD GLOBAL HEALTH FELLOWSHIP PROGRAM
For those who earned a MPH from a qualifying Public Health program within the last five years. https://fellowships.asph.org/programs/details.cfm?programID=18

LUCE SCHOLARS PROGRAM
The program is unique among American-Asian exchanges in that it is intended for young leaders who have had limited experience of Asia and who might not otherwise have an opportunity in the normal course of their careers to come to know Asia. Those who already have significant experience in Asia or Asian studies are not eligible for the Luce Scholars Program. To apply, you must have graduated from one of 75 of the participating colleges. The deadline at the undergraduate college is generally in early October. http://www.hluse.org/lsnominstitut.aspx

We currently have a medical student in the Luce Program in Asia.

DORIS DUKE CLINICAL RESEARCH FELLOWSHIP PROGRAM
The Doris Duke Clinical Research Fellowship Program provides one-year fellowships to medical students, who have completed at least two or more years of medical school, to spend an extra year in one of 10 participating medical schools to receive both didactic and 'hands-on' mentored clinical research training, beginning July 2012.

Fellows will receive stipends plus health insurance to spend a year conducting clinical research and receiving didactic training. We were pleased to have two students accepted into this program last year, and one is participating this year.

Additional program information including links to each participating school's web site is at http://www.ddcf.org/Medical-Research/Program-Strategies/Clinical-Research/Clinical-Research-Fellowship-for-Medical-Students/ Application available October 1 and the deadline is January 12, 2012.

We currently have a student in this program

RESEARCH INFO & SUMMER RESEARCH

Reminder: For advice and assistance, the Medical Student Research Advisor is Dr. Frank Barone (Frank.Barone@downstate.edu)

NIH NATIONAL INSTITUTE OF DIABETES AND DIGESTIVE AND KIDNEY DISEASES (NIDDK)
A 2-3 month program to conduct diabetes-related research. There is a short term program for the summer in-between MS 1 and MS 2. The sites are listed at the following URL http://www2.niddk.nih.gov/Funding/TrainingCareerDev/T35Locatios.htm Three SUNY Downstate students participated in this program last summer.

PEDIATRIC ONCOLOGY EDUCATION: St. Jude Children’s Research Hospital in Memphis, Tennessee provides short-term training experiences in either clinical research or laboratory research for a minimum of 9 weeks, with a stipend of $4000 for summer appointment. Application deadline February 1, 2012. To identify departments and/or faculty members with whom you would like to work, go to www.stjude.org/poe/. There is an on-line application at that site. Additional information in the Office of Student Affairs.

The AMA FOUNDATION SEED GRANT RESEARCH Program awards grants towards the conduct of small projects in applied and clinical research, led by medical students and residents. Application deadline December 5, 2011. Information: AMA Foundation, seedgrants@ama-assn.org or go to http://www.ama-assn.org/ama/pub/about-ama/ama-foundation/our-programs/medical-education/seed-grant-research.page

Grants are awarded in: Cardiovascular/Pulmonary Diseases, HIV/AIDS, Leukemia, and Neoplastic Diseases.

INTERVENTIONAL RADIOLOGY
The Dr. Constantin Cope Medical Student Research Award is open to 2nd, 3rd and 4th year medical students. The deadline for submission of the abstract is November 15, 2011. For more information go to http://www.sirfoundation.org/grants-awards/constantin_award.shtml

The Student Research Grant is designed to foster an interest in research by funding a summer research project conducted by a medical student in an area identified by SIR Foundation as important to the advancement of interventional radiology and patient care.

PEDIATRICS RESEARCH
The American Pediatrics Society and the Society for Pediatric Research are offering a grant for medical students to participate in research at a medical school other than their own. Nearly 300 laboratories are available. Go to http://www.aps-spr.org/Student_Research/Info.htm for more information or to review the on-line directory of laboratory opportunities. Application
NIH SUMMER INTERNSHIPS
Applications accepted mid-November through March.
http://www.cc.nih.gov/training/students/summer_internships.html

SUMMER (NON-RESEARCH) PROGRAMS

DELAWARE ACADEMY OF FAMILY PHYSICIANS David & Ethel Platt Family Physicians Summer Fellowship has 4 fellowship positions with a stipend of $1200 for 4 weeks. Application deadline is February 25, 2012. For more information, and an application, go to http://www.niaid.nih.gov/LabsAndResources/labs/training/inro/Page s/default.aspx

WILLIAM B. BEAN STUDENT RESEARCH AWARD in medical history/medical humanism: Stipend of $1500. For more information go to www.americanosler.org Application deadline March 1, 2012. Flyer in glass bulletin board.

JOBS

Work Study – assistant to update web site information about student research opportunities. Email Dr. Frank Barone for more information (Frank.Barone@downstate.edu)

CONTESTS, PRIZES, AWARDS

TRACHTENBERG ESSAY COMPETITION has a cash prize of $1000 for the best essay on the physician-patient relationship. Flyer posted on the student newsletter page of the Student Affairs website. Deadline for submission is December 15, 2011

AMA 2012 EXCELLENCE IN MEDICINE LEADERSHIP AWARD for demonstrated outstanding leadership in the areas of advocacy, community service, public health and/or education. This is a self nominated award and the deadline is Wednesday, November 16, 2011. For more information, go to the following URL http://www.ama-assn.org/ama/pub/about-ama/ama-foundation/our-programs/public-health/excellence-medicine-awards.page

The 9th Annual MICHAEL DEBAKEY Medical Student Poetry Award is sponsored by Baylor College of Medicine. First prize is $1000. Deadline for submission is December 31, 2011. For more details about the contest and where to submit your entry, go to the following URL http://wwwbcm.edu/news/item.cfm?newsID=4143

WILLIAM CARLOS WILLIAMS POETRY CONTEST
Sponsored by the Northeastern Ohio Universities College of Medicine Human Values Program, the deadline for submission is December 31, 2011. Contest rules appear on a poster in the glass bulletin board. Prizes are $300, $200 and $100. Information available at http://www.neoucom.edu/audience/about/departments/BCS/poetry Poster in glass bulletin board.

AMERICAN ASSOCIATION FOR THE HISTORY OF MEDICINE ESSAY CONTEST
The William Osler Medal is awarded annually by the American Association for the History of Medicine for the best unpublished essay on a medical historical topic. Complete information at www.histmed.org/osler_medal.htm Deadline for submissions is January 15, 2012

RESIDENCY INFORMATION RESOURCES

Residency Match List
See the 2011 Residency Match list in the glass bulletin board next to the Office of the Registrar. The residency match lists for the last 16 years is posted on the Student Affairs website. http://sls.downstate.edu/student_affairs/residency/placement.htm!

Careers In Medicine Web Site
Careers in Medicine, a career development program to assist you in choosing a specialty and plan for residency. To access Careers in Medicine, go to www.aamc.org/careersinmedicine and click on the “Login” button on the left menu bar. If you are new to the site, you will need to register. Click on the “register” button on the bottom of the page.

Careers in Medicine has a tool called Residency Preference Exercise. This exercise helps medical students identify criteria important to them in selecting a residency program and, using that information, searching for and rating programs on how well the program fits those criteria.

The Careers in Medicine newsletter, Choices, is available from the Careers in Medicine website (http://www.aamc.org/students/cim/choicesnewsletter.htm) The newsletter provides important information about residency and career choice topics.

The newsletters provide important information about residency and career choice topics.

April, 2011 spotlights Preventive Medicine & recaps the 2011 Match
January, 2011 spotlights Medical Genetics
November, 2010 spotlights Hospital Medicine
August, 2010 spotlights General Surgery
April, 2010 spotlights Internal Medicine-Pediatrics
January, 2010 spotlights Nuclear Medicine
October, 2009 spotlights Psychiatry
August 2009 spotlights Pathology
April, 2009 spotlights Physical Medicine & Rehabilitation
January, 2009 spotlights Emergency Medicine
October, 2008 spotlights Neurology
August, 2008 spotlights Otolaryngology (ENT)

Charting Outcomes in the Match: Characteristics of Applicants Who Matched to Their Preferred Specialty in the 2011 NRMP Main Residency Match

Charting Outcomes in the Match: Characteristics of Applicants Who Matched to Their Preferred Specialty in the 2009 NRMP Main Residency Match
http://sls.downstate.edu/student_affairs/residency/index.html

From the AAMC, includes information about Step 1 scores, number of programs on the rank order list, AOA honor society membership, and research accomplishments.
A Guide to the Preparation of the Medical Student Performance Evaluation (also known as the Dean’s Letter) http://sls.downstate.edu/student_affairs/residency/index.html

We do not send your academic file to residency programs. You fill out an application form known as ERAS, very similar to the AMCAS application in format. A letter summarizing your academic performance in medical school, MSPE, is also sent to residency programs.

Roadmap to Residency: From Application to the Match and Beyond http://sls.downstate.edu/student_affairs/residency/index.html

SCHOLARSHIPS & MONEY

NIH HELPS ADVANCE RESEARCH CAREERS

Through Student Loan Repayment Programs

The National Institutes of Health (NIH) fosters the careers of thousands of scientific researchers through its extramural Loan Repayment Programs (LRP). The LRP's two-year award repays up to $35,000 per year of educational loan debt for individuals who commit to conducting two years of qualified biomedical or behavioral research at a nonprofit or government institution.

GENERAL INFORMATION

DIRECTOR OF STUDENT COUNSELING

This is a reminder that we have a director of student counseling, Dr. Christine Saunders-Fields. To schedule an appointment, please telephone 718 270-1408 or email her at counseling@downstate.edu. All appointments and sessions are completely confidential. I strongly recommend the relaxation exercises for everyone! The service is free of charge.

CHILD CARE

The Children’s Center at SUNY Downstate provides daycare services for children age 2 months –5 years and is fully licensed by the NY Dept of Health & Bureau of Day Care Services. Hours are 7:30 a.m. - 5:30 p.m., Mondays-Fridays. Location is 440 Lenox Road. Openings are available. If you would like more information or a tour, contact 718 221-6160.

DISCOUNTED SOFTWARE FOR STUDENTS

(Announcement from SUNY Downstate’s Information Services)

The full version of Microsoft Office is now available through the New York State Microsoft Select Program at significantly reduced pricing for SUNY students and for work-at-home by faculty and staff. The Student Select program requires no funding or distribution resources by your campus. [Note: We are listed as Brooklyn, Health Science Center on the pull down menu.]

This program is separate from Select programs for institutional acquisitions and is an alternative to the Microsoft Campus Agreement Student Option.

Microsoft Office is available for both PC (Windows) and Apple Macintosh platforms. Windows Vista upgrades are also available through Select. This and other software negotiated for SUNY such as Adobe, SPSS and Quark are available on-line from University at Buffalo UBMicro IT Support Services, the HP designated SUNY distributor for the Microsoft Select Program.

Individuals may order these products from our secure web site at http://www.ubmicrosunny.com/

SENIOR CLASS NOTES

MS 4 EXTRAMURAL (AWAY) ELECTIVES

The AAMC has an Extramural Electives Compendium (https://www.aamc.org/students/medstudents/electives/) in the AAMC website. This lists the contact person, name and mailing address, for away electives at other medical schools.

The University of Texas Health Science Center at San Antonio’s Regional Academic Health Center is offering a four week elective entitled “Community for Children: At the Border and Beyond,” on the Texas/Mexico border in South Texas’ Lower Rio Grande Valley. The dates are February 6-March 2, 2012. For more information, go to www.communityforchildren.org

NIH CLINICAL ELECTIVES PROGRAM offers electives (extramural credit) in 21 areas. For the list and more information, go to http://www.cc.nih.gov/training/students/clinical_electives.html

The CDC’s Epidemiology Elective Program (Epi Elective) is a 6 to 8 week rotation for senior medical students. Participants have an opportunity to learn while working with CDC epidemiologists to solve real-world public health problems. http://www.cdc.gov/eis/applyeis/elective.htm

Stanford University orthopedic surgery diversity elective stipend support. See PDF in the newsletter section of the Student Affairs website.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY- Join the Medical Reserve Corps/NYC

The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYC-DOH1 for more information or to register, and email any questions to healthmrc@health.nyc.gov. http://www.nyc.gov/html/doh/html/em/mrc.html
DO YOU KNOW WHERE TO GO IN CASE OF AN EMERGENCY? HURRICANE EVACUATION ZONE FINDER
Find out if your address is located in an evacuation zone. Go to www.NYC.gov/hurricanezones.

SAFETY REMINDER
University Police has reminds all of us to use good judgment when traveling to and from campus. Avoid walking in the evening hours (6 p.m.-7 a.m.) alone and use the escort service to public transportation, the parking lots or to KCH for a radius of 6 blocks of the campus. University Police prefers we use the Church Avenue station in the evening hours. Call 270-2626 and the van will pick you up from the station.

WHERE TO GO FOR...
Curriculum Changes – The Curriculum and Educational Policies Committee of the Faculty of the College of Medicine is chaired by Dr. Lee Eisner of the Department of Cell Biology and Anatomy. New clinical and basic science faculty members have been recently appointed along with two student representatives from each medical school class. The committee meets once a month and welcomes feedback on current and proposed future curriculum issues, including all future curriculum changes and evaluation.

Curriculum Changes, Academic Requirements Changes, Academic Policy Changes – The Dean’s Education Council oversees the curriculum and academic policies for all four medical school years. The Committee is chaired by Stanley Friedman, M.D., Senior Associate Dean for Education. The Committee’s recommendations go directly to the Dean of the College of Medicine, Ian Taylor, M.D., Ph.D. There are two student representatives on the committee – the president of Medical Student Council (Hamerton Jeanty) and the president of the MS 4 class (Rosanna Lee). The Committee meets once a month.

WHERE TO GET DIFFERENT TYPES OF LETTERS
http://sls.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Office of the Registrar. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.

MS 1 & MS 2 CARREL COORDINATORS
MS 1 students should report carrel or key problems to Viktoriya Nikolenko in Room 605, HSEB; telephone x7524. She has an email account so you can email her.
MS 2 students should report carrel or key problems to Hugh Pitter in Room 511, HSEB; telephone X7507 and he’s on email too.

SUNY DOWNSTATE BRAGGING RIGHTS
Congratulations to Dmity Volkin, MS 3 on his selection for the NIH Clinical Research Training Program
Congratulations to Rachael Maciasz, MS 3 on her selection for the Doris Duke Clinical Research Fellowship at the University of Pittsburgh!
Congratulations to Jessica Bloome, MS 3 on her selection for the Doris Duke International Clinical Research Fellowship at the UCSF!
Congratulations to Rosalyn Plotzker, MS 3 on her selection as a Luce Scholar
Returnees to SUNY Downstate
Simon Fitzgerald, MS 4 from the NIH Fogarty/Ellison one year clinical research program in China!
Rita Abdelmessih, MS 4 from the Doris Duke Clinical Research Fellowship at Columbia University

*****

DO YOU HAVE QUESTIONS?
If you have a question and don’t know where to go for an answer, or have a concern, please remember that you can send email inquiries to Dr. Lorraine Terracina, Associate Dean Sophie Christoforou, or Assistant Dean Jeffrey Putman. All are available for individual appointments. To schedule an individual appointment with Dr. Terracina, send her an email (Lorraine.Terracina@downstate.edu). To schedule an appointment call 270-2187 or send an email. If you have a question, don’t be afraid to ask!

Glass Bulletin Board Items
(First floor, next to Room 111, Basic Science Bldg.)
Note: Sometimes, various programs send their notices of programs and opportunities too late to appear in that month’s newsletter. If the deadline for the program is before the next newsletter will be published, the information will still be posted in the glass bulletin board. Therefore, periodically check the bulletin board for such late announcements.

AMSA Programs
SUNY Downstate does not provide any financial assistance for students to participate in AMSA programs.

EMERGENCIES (Weather and Other Events)
(CANCELLATION OF CLASSES)
While Downstate Medical Center (school and hospital) has not been closed due to a snow emergency, if such a declaration were to be made, you would hear the notification on your local radio or television station, the same as the notification for other school.
closings. You may also telephone the University Operator at 718 270-1000. Only the President of the Downstate Medical Center is authorized to cancel all classes at Downstate Medical Center.

However, inclement weather or other events, may cause the cancellation of specific classes by the course instructor or college dean. If a weather emergency or other emergency event should occur, you should check the SUNY Downstate website for information. In addition, you may telephone the general campus telephone number which is 718 270-1000.

When you call 718 270-1000, you will hear, "Welcome to Downstate Medical Center and its University Hospital of Brooklyn. University Hospital and all Colleges remain OPEN today. However, college class instructors have the option of canceling individual classes. Students should Press "2" to hear the status of classes in your individual program. All others, Press "1" to continue to the main menu."

When you press "2," you will hear
For MS1 press 1
For MS2, press 2
For College of Nursing, press 3
For College of Health Related Professions, press 4
For the School of Graduate Studies, press 5
For the Masters in Public Health, press 6

College of Medicine, Years 1 & 2 only
Once you press the appropriate year, your block director will have an announcement, which states the class schedule for all activities for that day, for that block.

College of Medicine, Years 3 & 4
Follow the schedule at your clinical site. Contact your preceptor and your clerkship director if you are unsure about your responsibilities or the clinical schedule.

INTERNATIONAL HEALTH PROGRAMS

We have no information about the quality of the following programs. Enroll in them at your own risk!

**Unite for Sight** has published its international internship opportunities at [www.uniteforsight.org/intl_volunteer](http://www.uniteforsight.org/intl_volunteer). This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen.

**Global Service Corps** (Worldwide) programs in Tanzania and Thailand address the challenge of healthcare in the developing world. For more information, contact Mayia Holliday at operations@globalservicecorps.org

**Child Family Health International.** Go to [www.cfhi.org](http://www.cfhi.org). Their application is at [www.cfhi.org/program_intro.php4](http://www.cfhi.org/program_intro.php4). This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen.

**MAP International Medical Fellowship** in the context of Christian medical missions. For more information, go to [www.map.org](http://www.map.org) or email mstevenson@map.org. This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen. Application deadline March 1. Go to [www.map.org](http://www.map.org)
