Consortium of Universities for Global Health

Universities 2.0: Advancing Global Health in the Post-MDG Era

The Consortium of Universities for Global Health's Fifth Annual Conference will bring together over 1500 leaders, researchers, policy makers, educators, and students from diverse fields including medicine, engineering, business, law, communications, nursing, dentistry, veterinary sciences, environmental studies and the social sciences to address the global health challenges we face. Join us at this important event to learn, network, and build collaborations with colleagues from around the world. For more information visit 2014CUGHconference.org.
