ANNOUNCEMENTS

ZIPCAR: NOW AT DOWNSTATE
Zipcar, offers a convenient and environmentally friendly alternative to owning an automobile. FSA has partnered with Zipcar to bring cars-on-demand at Downstate. Two dedicated Zipcars, a Toyota Prius and a Honda CRV, are located in the State Garage on E34th Street. Low rates start at $11 per hour or $77 per day includes gas and insurance (plus tax) ! Using your iPhone, Blackberry, or their simple on-line reservation system you can book Zipcars throughout the Zipcar network … from Mini Coopers to Pick-up Trucks, Mini vans to BMWs!

Downstate students are able to sign up for just $25/year! A savings of 66%. Even more cost effective when you share your rides for common local road-trips, errands and clinical rotations! Once a member of Zipcar, you’ll have access to the 2 exclusive SUNY Downstate Medical Center vehicles that live on campus as well as the company's network of more than 6,000 vehicles throughout North America and the United Kingdom, and the 2000 cars living in New York alone.

Already a prior Zipcar Member? If you joined Zipcar before the Downstate program, you can re-register as a Downstate affiliate and receive the DMC rates (your annual membership will be pro-rated and any credit due will be added to your Zipcar account. Your use then gets included in this DMC program. Just log in to your Zipcar account and search/select the SUNY Downstate affiliate group.

MS 2’s: DID YOU DO SOMETHING NICE THIS SUMMER?
If you are a second year medical student and you did research or some other educationally related experience this summer, do not forget to have your preceptor/attending send a letter describing your experience (what you did) and how you performed, for inclusion in your academic file. The letter should be addressed to: Lorraine Terracina, Ph.D., SUNY Downstate Medical Center, 450 Clarkson Avenue, Box 85, Brooklyn, NY 11203. The letter may also be send by fax. Our fax number is (718) 270-7592. The letter must be from your preceptor/attending, not from you, in order to be included in your academic file. It must be on letterhead and signed.

In order to determine if your letter has been received, go to the Office of the Registrar during office hours, show your ID card and ask to see your academic file. The letter will be there, if it has been received.

MS 3’s and MS 4’s NEEDED
We need MS 3 and MS 4 students to assist with campus tours for medical school applicants. Please contact Ms. Ilana Levine (College of Medicine Interview Coordinator) in the Admissions Office if you are available from 12-1 p.m. Or, contact her via email or internet (Ilana.Levine@downstate.edu)

The SOCIETY FOR VASCULAR SURGERY (SVS) wants you to know how exciting their field is. Go to their website at www.VascularWeb.org

**RESIDENCY INFORMATION RESOURCES**

Careers In Medicine Web Site
Careers in Medicine, a career development program to assist you in choosing a specialty and plan for residency. To access Careers in Medicine, go to www.aamc.org/careersinmedicine and click on the “Login” button on the left menu bar. If you are new to the site, you will need to register. Click on the “New User” button on the bottom of the page.

Careers in Medicine has just released a new tool called Residency Preference Exercise. This exercise helps medical students identify criteria important to them in selecting a residency program and, using that information, searching for and rating programs on how well the program fits those criteria.

The Careers in Medicine newsletter, Choices, is now available from the Careers in Medicine website (http://www.aamc.org/students/cim/) The newsletter provides important information about residency and career choice topics. The October, 2009 newsletter spotlights Psychiatry.

The newsletters provide important information about residency and career choice topics. August, 2009 spotlights Pathology April, 2009 spotlights Physical Medicine & Rehabilitation January, 2009 spotlights Emergency Medicine October, 2008 spotlights Neurology August, 2008 spotlights Otolaryngology (ENT)

Charting Outcomes in the Match: Characteristics of Applicants Who Matched to Their Preferred Specialty in the NRMP Main Residency Match
http://sls.downstate.edu/student_affairs/residency/index.html From the AAMC, includes information about Step 1 scores, number of programs on the rank order list, AOA honor society membership, and research accomplishments. There are now 3 reports that you can use for comparison – 2005, 2007 and 2009

Residency Match List
See the 2009 Residency Match list in the glass bulletin board next to the Office of the Registrar. The residency match lists for the last 14

WHERE TO GO FOR...
Curriculum Changes – The Curriculum and Educational Policies Committee of the Faculty of the College of Medicine is chaired by Dr. Keith Williams from the Dept. of Physiology and Pharmacology, and has 2 student representatives from each medical school class year.

Curriculum Changes, Academic Requirements Changes, Academic Policy Changes – The Dean’s Education Council oversees the curriculum and academic policies for all four medical school years. The Committee is chaired by Stanley Friedman, M.D., Senior Associate Dean for Education. The Committee’s recommendations go directly to the Dean of the College of Medicine, Ian Taylor, M.D., Ph.D. There are two student representatives on the committee – the president of Medical Student Council (Michael Allison) and the president of the MS 4 class (Jessica Wong). The Committee meets once a month.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY- Join the Medical Reserve Corps/NYC
The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.
The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYC-DOH1 for more information or to register, and email any questions to healthmrc@health.nyc.gov.

WHERE TO GET DIFFERENT TYPES OF LETTERS
http://sfs.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Office of the Registrar. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.

AMSA Programs
SUNY Downstate does not provide any financial assistance for students to participate in AMSA programs. (none this month)

EMERGENCIES (Weather and Other Events)
(CANCELLATION OF CLASSES)
While Downstate Medical Center (school and hospital) has not been closed due to a snow emergency, if such a declaration were to be made, you would hear the notification on your local radio or television station, the same as the notification for other school closings. You may also telephone the University Operator at 718 270-1000. Only the President of the Downstate Medical Center is authorized to cancel all classes at Downstate Medical Center.

However, inclement weather or other events, may cause the cancellation of specific classes by the course instructor or college dean. If a weather emergency or other emergency event should occur, you should check the SUNY Downstate website for information. In addition, you may telephone the general campus telephone number which is 718 270-1000.

When you call 718 270-1000, you will hear, "Welcome to Downstate Medical Center and its University Hospital of Brooklyn. University Hospital and all Colleges remain OPEN today. However, college class instructors have the option of canceling individual classes. Students should Press "2" to hear the status of classes in your individual program. All others, Press "1" to continue to the main menu."

When you press "2," you will hear
For MS1 press 1
For MS2, press 2
For College of Nursing, press 3
For College of Health Related Professions, press 4
For the School of Graduate Studies, press 5
For the Masters in Public Health, press 6

College of Medicine, Years 1 & 2 only
Once you press the appropriate year, your block director will have an announcement, which states the class schedule for all activities for that day, for that block.

College of Medicine, Years 3 & 4
Follow the schedule at your clinical site. Contact your preceptor and your clerkship director if you are unsure about your responsibilities or the clinical schedule.

Glass Bulletin Board Items
(First floor, next to Room 111, Basic Science Bldg.)

Note: Sometimes, various programs send their notices of programs and opportunities too late to appear in that month’s newsletter. If the deadline for the program is before the next newsletter will be published, the information will still be posted in the glass bulletin board. Therefore, periodically check the bulletin board for such late announcements.

AMSA Programs
SUNY Downstate does not provide any financial assistance for students to participate in AMSA programs. (none this month)

EMERGENCIES (Weather and Other Events)
(CANCELLATION OF CLASSES)
While Downstate Medical Center (school and hospital) has not been closed due to a snow emergency, if such a declaration were to be made, you would hear the notification on your local radio or television station, the same as the notification for other school closings. You may also telephone the University Operator at 718 270-1000. Only the President of the Downstate Medical Center is authorized to cancel all classes at Downstate Medical Center.

However, inclement weather or other events, may cause the cancellation of specific classes by the course instructor or college dean. If a weather emergency or other emergency event should occur, you should check the SUNY Downstate website for information. In addition, you may telephone the general campus telephone number which is 718 270-1000.

When you call 718 270-1000, you will hear, "Welcome to Downstate Medical Center and its University Hospital of Brooklyn. University Hospital and all Colleges remain OPEN today.
