ANNOUNCEMENTS

WELCOME CLASS OF 2013!
190 new first year students entered the College of Medicine this year. The class is 47% female and 53% male. 81% are from New York State. Other states represented are: California, Florida, Illinois, Massachusetts, Maryland, Michigan, Missouri, New Hampshire, New Jersey, Pennsylvania, Rhode Island. The age range of the class is 20-36, and they come from 75 different colleges. The Diversity Survey for the class will be posted on the glass bulletin board outside of the Office of the Registrar.

SESQUICENTENNIAL CONVOCATION
The 150th anniversary celebration of the College of Medicine will officially begin with an Opening Convocation on Thursday, September 10, 2009 at 10 am in Alumni Auditorium. The Convocation speaker is Dr. Ralph Snyderman, Class of 1965, Chancellor Emeritus for Health Affairs at Duke University and James B. Duke Professor of Medicine at Duke University School of Medicine. All medical students are invited to attend the Convocation.

MEDICAL SCHOOL ADMISSIONS COMMITTEE
Are you a second year or fourth year medical student, and do you want to help select future students for SUNY Downstate? The time commitment is every Wednesday from 4-6:30 p.m. the months of November through May. If you are interested in this position, please submit the following to Ms. Ilana Levine in the Office of Admissions at Box 60 (Room 133, BSB) by Thursday, October 1: your name, local mailing address, local telephone number, box number, a brief description of any experiences which might qualify you for a position on the Admissions Committee, and a brief statement of why you are interested in this position. Candidates may be asked to come for an interview. There are two MS 2 and two MS 4 positions available.

MS 2’s: DID YOU DO SOMETHING NICE THIS SUMMER?
If you are a second year medical student and you did research or some other educationally related experience this summer, do not forget to have your preceptor/supervisor send a letter describing your experience (what you did) and how you performed, for inclusion in your academic file. The letter should be addressed to: Lorraine Terracina, Ph.D., SUNY Downstate Medical Center, 450 Clarkson Avenue, Box 85, Brooklyn, NY 11203. The letter may also be sent by fax. Our fax number is (718) 270-7592. The letter must be from your preceptor/attending, not from you, in order to be included in your academic file. It must be on letterhead and signed.

In order to determine if your letter has been received, go to the Office of the Registrar during office hours, show your ID card and ask to see your academic file. The letter will be there, if it has been received.

STUDENT ACTIVITIES FAIR – Get Involved!
Learn about our student organizations and how to get involved! The date is Thursday, September 10 from 4-5:30 p.m. at the Student Center Tennis Court (rain location is the Gym).

MS 3’s and MS 4’s NEEDED
We need MS 3 and MS 4 students to assist with campus tours for medical school applicants. Please contact Ms. Ilana Levine (College of Medicine Interview Coordinator) in the Admissions Office if you are available from 12-1 p.m. Or, contact her via email or internet (Ilana.Levine@downstate.edu)

DONATE YOUR OLD BOOKS!
Dr. Hope Sadza is the founder of the Women’s University in Africa, the first university in Africa created to educate women (www.cies.org/NCS/2009_2010/scholars/HSadza.htm). Help build their library by donating your old books before September 15, 2009. There is a drop off box in the Library in front of the Information Desk labeled, “Women’s University in Africa Book Donaiton Project.”

ARE YOU FLUENT IN WRITTEN PORTUGESE?
Dr. Robert Karp, Professor of Pediatrics needs a translator fluent in English and Portuguese to translate his teacher’s guide in pediatric nutrition. It will require several hours but does have a small stipend, and you can list it on your CV! Contact Dr. Karp by email at Robert.Karp@downstate.edu

HOWARD HUGHES MEDICAL INSTITUTE

NIH Research Scholars Program (Cloister Program)
Most students participate as Research Scholars after their 2nd or 3rd year of medical school. Students may work on basic, translational or applied biomedical research. Prior research experience may be advantageous but is not required. You select your preceptor and research project after your acceptance into the program. Students chosen as HHMI-NIH Research Scholars (about 40 are selected each year – we have had students chosen for this program) will work at the NIH for approximately one year, beginning July 15 and August 31. There is a stipend. Moving expenses and subsidized, on-campus housing is also part of the program. Application deadline January 10, 2010. For more information go to www.hhmi.org/cloister

HHMI Research Training Fellowships for Medical Students (Medical Fellows Program - non-cloister)
This permits students to spend one year conducting research at any school or non-profit research institution in the USA except the NIH. We have had students do this program, too! There is a stipend. The application deadline is January 11, 2010. For more information go to www.hhmi.org/mefellowships

Residency Match List
See the 2009 Residency Match list in the glass bulletin board next to the Office of the Registrar. The residency match lists for the last 14 years is posted on the Student Affairs website.

Careers In Medicine Web Site
Careers in Medicine, a career development program to assist you in choosing a specialty and plan for residency. To access Careers in Medicine, go to www.aamc.org/careersinmedicine and click on the “Login” button on the left menu bar. If you are new to the site, you will need to register. Click on the “New User” button on the bottom of the page.

Careers in Medicine has just released a new tool called Residency Preference Exercise. This exercise helps medical students identify criteria important to them in selecting a residency program and, using that information, searching for and rating programs on how well the program fits those criteria.

The Careers in Medicine newsletter, Choices, is now available from the Careers in Medicine website (www.aamc.org/students/cim/choicesnewsletter.pdf) The newsletter provides important information about residency and career choice topics. The August, 2009 newsletter spotlights Pathology.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY - Join the Medical Reserve Corps/NYC

The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYC-DOH1 for more information or to register, and email any questions to healthmrc@health.nyc.gov. http://www.nyc.gov/html/doh/html/em/mrc.html

WHERE TO GET DIFFERENT TYPES OF LETTERS http://sls.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Office of the Registrar. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.

SAFETY REMINDER

University Police has reminds all of us to use good judgment when traveling to and from campus. Avoid walking in the evening hours (6 p.m.–7 a.m.) alone and use the escort service to public transportation, the parking lots or to KCH for a radius of 6 blocks of the campus. University Police prefers we use the Church Avenue station in the evening hours. Call 270-2626 and the van will pick you up from the station.

EMERGENCIES (Weather and Other Events)
(CANCELLATION OF CLASSES)
While Downstate Medical Center (school and hospital) has not been closed due to a snow emergency, if such a declaration were to be made, you would hear the notification on your local radio or television station, the same as the notification for other school closings. You may also telephone the University Operator at 718 270-1000. Only the President of the Downstate Medical Center is authorized to cancel all classes at Downstate Medical Center.

However, inclement weather or other events, may cause the cancellation of specific classes by the course instructor or college dean. If a weather emergency or other emergency event should occur, you should check the SUNY Downstate website for information. In addition, you may telephone the general campus telephone number which is 718 270-1000.

When you call 718 270-1000, you will hear, "Welcome to Downstate Medical Center and its University Hospital of Brooklyn. University Hospital and all Colleges remain OPEN today. However, college class instructors have the option of canceling individual classes. Students should Press "2" to hear the status of classes in your individual program. All others, Press "1" to continue to the main menu."

When you press "2," you will hear
For MS1 press 1
For MS2, press 2
For College of Nursing, press 3
For College of Health Related Professions, press 4
For the School of Graduate Studies, press 5
For the Masters in Public Health, press 6

College of Medicine, Years 1 & 2 only
Once you press the appropriate year, your block director will have an announcement, which states the class schedule for all activities for that day, for that block.

College of Medicine, Years 3 & 4
Follow the schedule at your clinical site. Contact your preceptor and your clerkship director if you are unsure about your responsibilities or the clinical schedule.

INTERNATIONAL HEALTH PROGRAMS
We have no information about the quality of the following programs. Enroll in them at your own risk!

Unite for Sight has published its international internship opportunities at www.uniteforsight.org/intl_volunteer. This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen.

There is also a conference scheduled for April 18-19, 2009 at Yale University
Global Service Corps (Worldwide) programs in Tanzania and Thailand address the challenge of healthcare in the developing world. For more information, contact Mayia Holliday at operations@globalservicecorps.org

CROSSING CULTURES SENEGAL 2010
This is not a school sponsored program and not eligible for malpractice or other coverage from the school. You participate as a private citizen.

Crossing Cultures offers a stimulating travel and educational program focused on the French-speaking Republic of Senegal, West Africa. The program dates for the 2010 Crossing Cultures program are June 28 – July 13. It will be ID’s 20th program to Senegal.

Led by two former Peace Corps volunteers, this program appeals to people in and out of academia. It works well for those who
want to experience family life and community projects in the rural areas of this diverse nation, and for those with special interests in dance and music training, environment, medicine, government, agriculture, language or education and health projects.

The Crossing Cultures group is small, no more than ten, allowing the leaders to tailor activities to the participants' interests. Reasonable cost. Extended stays for volunteer work or field study can be facilitated. For more information, contact:
