WELCOME CLASS OF 2016!
184 new first year students entered the College of Medicine this year. The class is 47% female and 53% male. 81% are from New York State. Other states represented are: California, Connecticut, Florida, Maryland, Massachusetts, Michigan, New Jersey, Ohio, Oregon, Pennsylvania, and Tennessee. The age range of the class is 21-39, and they come from 76 different colleges.

SHARE YOUR CREATIVE SIDE WITH US
We need photos or short videos of the Brooklyn where you live—suitable for posting on our institutional website. The focus should be the beauty of Brooklyn neighborhoods or landmarks, human interest stories photographed or filmed in Brooklyn, or your fellow students in academically related or school related activities. Permission forms are posted on the Miscellaneous section of the Student Affairs website at http://sls.downstate.edu/student_affairs/misc/index.html. We need a caption to go with your submission. Photos may be used in the Admissions Office or on the Admissions website. Submit your entries to Dr. Lorraine Terracina (Lorraine.Terracina@downstate.edu) or Dr. Marcia Gerber (Marcia.Gerber@downstate.edu).

ONE YEAR RESEARCH PROGRAMS

NIH MEDICAL RESEARCH SCHOLARS PROGRAM
The National Institutes of Health (NIH) Medical Research Scholars Program is a comprehensive, year-long research enrichment program designed to attract the most creative, research-oriented medical, dental, and veterinary students to the intramural campus of the NIH in Bethesda, Md. Scholars engage in a mentored basic, clinical, or translational research project in an area that matches their personal interests and goals. This program blends the elements of two former, highly successful programs—the Howard Hughes Medical Institute-NIH Research Scholars Program and the NIH Clinical Research Training Program. It is expected that there will be up to 70 positions available. We have a student in the inaugural class this year. Application is available beginning October 1, 2012. http://www.cc.nih.gov/training/mrsp/application.html

NIH/FOGARTY INTERNATIONAL CLINICAL RESEARCH SCHOLARS PROGRAM
The Global Health Program for Fellows and Scholars is replacing the Fogarty Program. http://www.fic.nih.gov/Programs/Pages/scholars-fellows-global-health.aspx. There are 5 consortium groups.

   The University of Washington is advertising that their application is available beginning October 1, 2012. http://fogartyfellows.org/apply

CDC EXPERIENCE APPLIED EPIDEMIOLOGY FELLOWSHIP is for medical students who have completed their second or third year of medical school. This 10 to 12 month fellowship provides training through hands-on experiences in applied epidemiology and public health. The fellowship is held at CDC headquarters in Atlanta, Georgia and begins in August. Fellows receive a stipend for living expenses. Apply between Sept 7-December 7, 2012. http://www.cdc.gov/CDCExperienceFellowship/

We have had students in this program.

FULBRIGHT-FOGARTY FELLOWSHIPS in PUBLIC HEALTH
http://www.fic.nih.gov/Programs/Pages/fulbright-fellowships.aspx
9 months overseas. Application deadline October 17, 2012
http://us.fulbrightonline.org/fulbright-fogary.html

LUCE SCHOLARS PROGRAM
The program is unique among American-Asian exchanges in that it is intended for young leaders who have had limited experience of Asia and who might not otherwise have an opportunity in the normal course of their careers to come to know Asia. Those who already have significant experience in Asia or Asian studies are not eligible for the Luce Scholars Program.

To apply, you must have graduated from one of 75 of the participating undergraduate colleges. You apply through your undergraduate college. The deadline at the undergraduate college is generally in early October. http://www.hluce.org/hsnominstitut.aspx

We had a medical student in the Luce Program in Asia last year.

THE SARNOFF FELLOWSHIP PROGRAM
This program offers medical students who have completed their second or third year of medical school the opportunity to conduct research for one year. Prior research experience is not a prerequisite.

   Application deadline is September 2012-January 9, 2013.

CDC-HUBERT GLOBAL HEALTH FELLOWSHIP
This fellowship provides third- and fourth -year medical and veterinary students with valuable public health experience in an international setting. The main focus of the fellowship is a 6- to 12-week field assignment. Fellows are mentored by experienced CDC staff and learn through hands-on experience while working on a public health project in a developing country.
http://www.cdc.gov/hubertfellowship/

The application cycle generally opens in mid January and closes in mid February.

Careers In Medicine Web Site
Careers In Medicine, a career development program to assist you in choosing a specialty and plan for residency. To access Careers In Medicine, go to www.aamc.org/careersinmedicine and click on the “Login” button on the left menu bar. If you are new to the site, you will need to register. Click on the “register” button on the bottom of the page.

Careers In Medicine has a tool called Residency Preference Exercise. This exercise helps medical students identify criteria important to them in selecting a residency program and, using that information, searching for and rating programs on how well the program fits those criteria.

The Careers in Medicine newsletter,Choices, is available from the Careers in Medicine website (http://www.aamc.org/students/cim/choicesnewsletter.htm) The newsletter provides important information about residency and career choices.

HOW TO HELP IN THE EVENT OF A CITY-WIDE EMERGENCY - Join the Medical Reserve Corps/NYC

The New York City Dept. of Health is seeking health professions students (medical, nursing, health related) to join their Medical Reserve Corps. In addition to free membership, Medical Reserve Corps members will receive training on how to assist New York City in the event of a national health emergency.

The Medical Reserve Corps/NYC has been created to mobilize health professionals who want to partner with the Department of Health and Mental Hygiene during a local health emergency that would require the City to open Points of Distribution clinics (PODs). The goal of the MRC is to bring together the knowledge, expertise and skills of many different health professionals to address public health crises. Any licensed or certified health professional, who lives or works in New York City, can join the MRC. Please visit www.medicalreserve.org for more information and to register. You may also call 866-NYCDOH1 for more information or to register, and email any questions to healthmrc@health.nyc.gov. http://www.nyc.gov/html/doh/html/em/mrc.html

SAFETY REMINDER

University Police has reminds all of us to use good judgment when traveling to and from campus. Avoid walking in the evening hours (6 p.m.-7 a.m.) alone and use the escort service to public transportation, the parking lots or to KCH for a radius of 6 blocks of the campus. University Police prefers we use the Church Avenue station in the evening hours. Call 270-2626 and the van will pick you up from the station.

WHERE TO GO FOR...

Curriculum Changes – The Curriculum and Educational Policies Committee of the Faculty of the College of Medicine is chaired by Dr. Lee Eisner of the Department of Cell Biology and Anatomy. New clinical and basic science faculty members have been recently appointed along with two student representatives from each medical school class. The committee meets once a month and welcomes feedback on current and proposed future curriculum issues, including all future curriculum changes and evaluation.

Curriculum Changes, Academic Requirements Changes, Academic Policy Changes – The Dean’s Education Council oversees the curriculum and academic policies for all four medical school years. The Committee is chaired by Stanley Friedman, M.D., Senior Associate Dean for Education. The Committee’s recommendations go directly to the Dean of the College of Medicine, Ian Taylor, M.D., Ph.D. There are two student representatives on the committee – the president of Medical Student Council (Andre Plair) and the president of the MS 4 class (Joshua McHugh). The Committee meets once a month.

DO YOU HAVE QUESTIONS?

If you have a question and don’t know where to go for an answer, or have a concern, please remember that you can send email inquiries to Dr. Lorraine Terracina, Associate Dean Sophie Christoforou, or Assistant Dean Dr. Jeffrey Putman. All are available for individual appointments. To schedule an individual appointment with Dr. Terracina, send her an email (Lorraine.Terracina@downstate.edu). To schedule an appointment with one of the other student affairs deans, call 718 270-2187 or send an email to studentaffairs@downstate.edu. If you have a question, don’t be afraid to ask!
WHERE TO GET DIFFERENT TYPES OF LETTERS
http://sls.downstate.edu/student_affairs/where_to_get_letters.html

Attendance: Letters simply certifying that you are in a student in school, or in good academic standing, etc. may be obtained directly from the Office of the Registrar. This also applies to applications for away (extramural) electives.

Scholarship Letters and School Letters of Recommendation for Special Programs: If you are applying for a scholarship, award, or special program (e.g. summer research, summer clinical, Alaska Health Service elective, NIH research year, etc.) and they require a letter of recommendation from the school, or a letter from the dean, or something more than attendance, then this goes through the Office of Student Affairs.

Write out your name, the nature of your request, the complete title and mailing address of where the letter should be sent, any deadline date, any items, which must be included in the letter, and any information which you would like included about activities, which you have been involved in during medical school. Allow 5 business days for completion.

Faculty Letters of Recommendation: If you are a MS 1 student applying for a summer program or a scholarship which requires a faculty letter of recommendation, remember your preceptors, small group discussion leaders, etc. that you have had in your courses may be able to write you a letter if you don’t feel you know your block director well enough. If you still feel you are having a problem or don’t have enough references, then drop off a copy of what you are applying for to the Office of Student Affairs along with a note describing your problem and I will provide advice on what you should do.

Jury Duty Letters: You can request a letter from the Office of Student Affairs requesting the court to postpone your dates of jury duty. We have no guarantee that the court will do so. Bring the original copy of your summons to the Office of Student Affairs. The court’s final decision prevails. You may need to serve during your vacation period.
